**CHARTER OF THE AUDIT COMMITTEE  
OF THE  
STATE BOARD OF ADMINISTRATION OF FLORIDA**

**A. PURPOSE:**

Acting pursuant to Section 215.44(2)(c), Florida Statutes, the Board of Trustees (“Board”) of the State Board of Administration (SBA) has established an Audit Committee (the “Committee”) whose purpose is to assist the board in fulfilling its oversight responsibilities. The Committee shall serve as an independent and objective party to monitor processes for financial reporting, internal controls and risk assessment, audit processes, and compliance with laws, rules, and regulations.

**B. AUTHORITY:**

The Committee’s authority comes from Section 215.44(2)(c), Florida Statutes and from the Board. The Committee has the authority to direct the Board’s independent external auditors, the SBA’s Chief Audit Executive (“CAE”) or the SBA’s Office of Internal Audit (“OIA”) staff to conduct an audit, review, and/or a special investigation into any matters within the scope of the Committee’s responsibility.

**C. MEMBERSHIP:**

The Committee shall consist of three (3) members appointed by the Board. Members shall be appointed for four (4) year terms. A vacancy shall be filled for the remainder of the unexpired term. Per statute, the persons appointed must have relevant knowledge and expertise as determined by the Board.

The Committee will annually elect its chair and vice chair from its membership by majority vote of the members. A member may not be elected to consecutive terms as chair or vice chair.

Each Committee member will be independent and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee and will be required to complete an annual independence statement.

**D. MEMBERSHIP QUALIFICATIONS:**

The Committee members are appointed by the Board pursuant to Section 215.44(1)(c), Florida Statutes. At the time of his or her appointment, each member shall be independent and financially literate according to the following standards:

1. Each member must meet the independence requirements of the United States Securities and Exchange Commission (SEC) with respect to the activities and funds of the State Board of Administration.
2. Each member must be able to read and understand fundamental financial statements, including balance sheet, income statement and statement of cash flows and have working familiarity with financial practices applicable to fiduciary trust, banking, brokerage, asset management or other similar financial services operations.

The Board shall consider the following guidelines when appointing members to ensure the Committee, as an entity, has the collective knowledge, skills, and abilities necessary to accomplish its statutory mission. Members must possess one or more of the following attributes:

1. Financial expertise as defined in the “audit committee financial expert” corporate governance rules and regulations of the SEC.
2. Investment literacy consistent with a current working knowledge of investment products commonly used by institutional investors.
3. Knowledge and experience in the practice of internal and/or external auditing, including familiarity with current auditing standards.

The Board shall endeavor to ensure at least one member is deemed to meet the requirements of an “audit committee financial expert” as defined by the corporate governance rules and regulations of the SEC, to the extent practical.

**E. MEETINGS AND COMMUNICATIONS:**

The Committee shall meet four (4) times annually, or more frequently as deemed necessary by the Committee. All Committee members are expected to attend each meeting in person or via teleconference or video conference. The Committee may not conduct any meeting with fewer than three (3) members present. The Committee may ask members of the SBA management or others to attend meetings and provide pertinent information as necessary. The CAE, in conjunction with the Committee chair and the Executive Director & CIO, will ensure that meeting agendas and appropriate briefing materials are prepared and provided in advance to the Committee and SBA management. Minutes of all Committee meetings will be prepared and approved.

The Committee is subject to Florida’s Government in the Sunshine Law (Sunshine Law) as set forth in Chapter 286, Florida Statutes. The Sunshine Law extends to all discussions and deliberations as well as any formal action taken by the Committee. The law is applicable to any gathering, whether formal or casual, of two or more members of the Committee to discuss some matter on which foreseeable action will be taken. Reasonable public notice

must be given for all such gatherings. In the event any meeting or portion thereof would reveal information that specifically is made exempt under the Sunshine Law, the Committee either may hold a separate closed meeting to discuss the exempted information or the Committee can close the portion of the publicly noticed meeting in which the exempted information is discussed but will notify the public of such closed meeting in a manner advised by the SBA's General Counsel (or his or her designee). The Committee will make an audio or other recording in the manner advised by the SBA's General Counsel (or his or her designee) of all or any portion of a meeting that is closed because of such exemption.

## **FLORIDA RETIREMENT SYSTEM DEFINED BENEFIT PLAN INVESTMENT POLICY STATEMENT**

### **I. DEFINITIONS**

**Absolute Real Target Rate of Return** - The total rate of return by which the FRS Portfolio must grow, in excess of inflation as reported by the U.S. Department of Labor, Bureau of Labor Statistics (Consumer Price Index – All Urban Consumers), in order to achieve the long-run investment objective.

**Asset Class** - An asset class is an aggregation of one or more portfolios with the same principal asset type.<sup>1</sup> For example, all of the portfolios whose principal asset type was stocks would be aggregated together as the Global Equity asset class. As such, it would contain primarily—but not exclusively—the principal asset type.

**Asset Type** - An asset type is a category of investment instrument such as common stock or bond.

**Portfolio** - A portfolio is the basic organization unit of the FRS Fund. Funds are managed within portfolios. A portfolio will typically contain one principal asset type (common stocks, for example), but may contain other asset types as well. The discretion for this mix of asset types is set out in guidelines for each portfolio.

### **II. OVERVIEW OF THE FRS AND SBA**

The State Board of Administration (Board) provides investment management of assets contributed and held on behalf of the Florida Retirement System (FRS). The investment of retirement assets is one aspect of the activity involved in the overall administration of the Florida Retirement System. The Division of Retirement (DOR), the administrative agency for the FRS, provides full accounting and administration of benefits and contributions, commissions actuarial studies, and proposes rules and regulations for the administration of the FRS. The State Legislature has the responsibility of setting contribution and benefit levels, and providing the statutory guidance for the administration of the FRS.

### **III. THE BOARD**

The State Board of Administration has the authority and responsibility for the investment of FRS assets. The Board consists of the Governor, as Chairman, the Chief Financial Officer, and the Attorney General. The Board has statutory responsibility for the investment of FRS assets, subject to limitations on investments as outlined in Section 215.47, Florida Statutes.

---

<sup>1</sup> The Strategic Investments asset class is an exception, purposefully established to contain a variety of portfolios which may represent asset types and strategies not suitable for inclusion in other asset classes.

The Board shall discharge its fiduciary duties in accordance with the Florida statutory fiduciary standards of care as contained in Sections 215.44(2)(a) and 215.47(10), Florida Statutes.

The Board delegates to the Executive Director the administrative and investment authority, within the statutory limitations and rules, to manage the investment of FRS assets. An Investment Advisory Council (IAC) is appointed by the Board. The IAC meets quarterly, and is charged with the review and study of general portfolio objectives, policies and strategies, including a review of investment performance.

The mission of the State Board of Administration is to provide superior investment management and trust services by proactively and comprehensively managing risk and adhering to the highest ethical, fiduciary and professional standards.

#### **IV. THE EXECUTIVE DIRECTOR**

The Executive Director is charged with the responsibility for managing and directing administrative, personnel, budgeting, and investment functions, including the strategic and tactical allocation of investment assets.

The Executive Director is charged with developing specific individual investment portfolio objectives and policy guidelines, and providing the Board with monthly and quarterly reports of investment activities.

The Executive Director has investment responsibility for maintaining diversified portfolios, and maximizing returns with respect to the broad diversified market standards of individual asset classes, consistent with appropriate risk constraints. The Executive Director will develop policies and procedures to:

- Identify, monitor and control/mitigate key investment and operational risks.
- Maintain an appropriate and effective risk management and compliance program that identifies, evaluates and manages risks within business units and at the enterprise level.
- Maintain an appropriate and effective control environment for SBA investment and operational responsibilities.
- Approve risk allocations and limits, including total fund and asset class risk budgets.

The Executive Director will appoint a Chief Risk and Compliance Officer, whose selection, compensation and termination will be affirmed by the Board, to assist in the execution of the responsibilities enumerated in the preceding list. For day-to-day executive and administrative purposes, the Chief Risk and Compliance Officer will proactively work with the Executive Director and designees to ensure that issues are promptly and thoroughly addressed by

management. On at least a quarterly basis, the Chief Risk and Compliance Officer will provide reports to the Investment Advisory Council, Audit Committee and Board and is authorized to directly access these bodies at any time as appropriate to ensure the integrity and effectiveness of risk management and compliance functions.

Pursuant to written SBA policy, the Executive Director will organize an Investment Oversight Group(s) to regularly review, document and formally escalate guideline compliance exceptions and events that may have a material impact on the Trust Fund. The Executive Director is delegated the authority and responsibility to prudently address any such compliance exceptions, with input from the Investment Advisory Council and Audit Committee as necessary and appropriate, unless otherwise required in this Investment Policy Statement.

The Executive Director is responsible for evaluating the appropriateness of the goals and objectives in this Plan in light of actuarial studies and recommending changes to the Board when appropriate.

## **V. INVESTMENT OBJECTIVES**

The investment objective of the Board is to provide investment returns sufficient for the plan to be maintained in a manner that ensures the timely payment of promised benefits to current and future participants and keeps the plan cost at a reasonable level. To achieve this, a long-term real return approximating 5% per annum (compounded and net of investment expenses) should be attained, consistent with the actuarial investment return assumption of 7.65%. As additional considerations, the Board seeks to avoid excessive risk in long-term cost trends. To manage these risks, the volatility of annual returns should be reasonably controlled.

The Board's principal means for achieving this goal is through investment directives to the Executive Director. The main object of these investment directives is the asset class. The Board directs the Executive Director to manage the asset classes in ways that, in the Board's opinion, will maximize the likelihood of achieving the Board's investment objective within an appropriate risk management framework. The Board establishes asset classes, sets target allocations and reasonable ranges around them for each and establishes performance benchmarks for them. In addition, it establishes a performance benchmark for the total portfolio.

## VI. TARGET PORTFOLIO AND ASSET ALLOCATION RANGES

The Board's investment objective is an absolute one: achieve a specific rate of return, the absolute real target rate of return. In order to achieve it, the Board sets a relative objective for the Executive Director: achieve or exceed the return on a performance benchmark known as the Target Portfolio over time. The Target Portfolio is a portfolio composed of a specific mix of the authorized asset classes. The return on this portfolio is a weighted-average of the returns to passive benchmarks for each of the asset classes. The expectation is that this return will equal or exceed the absolute real target rate of return long-term and will thus assure achievement of the Board's investment objective.

This relative return objective is developed in a risk management framework. Risk from the perspective of the Board is any shortfall of actual investment returns relative to the absolute real target rate of return over long periods of time, and the asset mix is developed to manage this risk. In selecting the Target Portfolio, the Board considers information from actuarial valuation reviews and asset/liability studies of the FRS, as well as asset class risk and return characteristics. In addition, the timing of cash demands on the portfolio to honor benefit payments and other liabilities are an important consideration. Potential asset mixes are thus evaluated with respect to their expected return, volatility, liquidity, and other risk and return measures as appropriate.

The Target Portfolio defined in Table 2 has a long-term expected compound annual real return that approximates the absolute real target rate of return. To achieve the absolute real target rate of return or actuarial return, material market risk must be borne (i.e., year to year volatility of returns). For example, in 2008 the Trust Fund's net managed real return was -26.81% compared to gains of 17.56% in 2009 and 21.48% in 2003. While downside risk is considerably greater over shorter horizons, the natural investment horizon for the Trust Fund is the long-term. Table 1 illustrates a modeled estimate of the Target Portfolio's potential range of real returns that could result over longer-term investment horizons. Over a 15-year investment horizon there is an 80 percent probability that the Target Portfolio will experience a compound annual real return between -1.2% and 10.4% and a 90 percent probability that the Target Portfolio will experience a compound annual real return between -3.2% and 11.7%.

**Table 1: Expected Risk in Target Portfolio's Real Returns**

Time Horizon	5 <sup>th</sup> Percentile Real Return	10 <sup>th</sup> Percentile Real Return	90 <sup>th</sup> Percentile Real Return	95 <sup>th</sup> Percentile Real Return
10 Years	-5.5%	-3.2%	11.5%	12.7%
15 Years	-3.2%	-1.2%	10.4%	11.7%
20 Years	-2.3%	-0.2%	9.7%	10.8%
25 Years	-1.6%	0.1%	9.1%	10.3%

30 Years	-1.1%	0.7%	9.0%	10.0%
----------	-------	------	------	-------

Although the Target Portfolio has an expected return and risk associated with it, it is important to note that this expected return is neither an explicit nor an implicit goal for the managers of the Florida Retirement System Trust Fund (FRSTF). These figures are used solely in developing directives for fund management that will raise the probability of success in achieving the absolute real target rate of return. The Executive Director is held responsible not for specifically achieving the absolute real target rate of return in each period, but rather for doing at least as well as the market using the Target Portfolio's mix of assets.

In pursuit of incremental investment returns, the Executive Director may vary the asset mix from the target allocation based on market conditions and the investment environment for the individual asset classes. The Executive Director shall adopt an asset allocation policy guideline which specifies the process for making these tactical decisions. The guideline shall concentrate on the analysis of economic conditions, the absolute values of asset class investments and the relative values between asset classes. The Board establishes ranges for tactical allocations, as shown in Table 2.

**Table 2: Authorized Asset Classes, Target Allocations and Policy Ranges**

Asset Class	Target Allocation	Policy Range Low	Policy Range High
Global Equity	53%	45%	70%
Fixed Income	18%	10%	26%
Real Estate	10%	4%	16%
Private Equity	6%	2%	9%
Strategic Investments	12%	0%	16%
Cash Equivalents	1%	0.25%	5%
Total Fund	100%	--	--

For purposes of determining compliance with these policy ranges, an asset class is considered to be an aggregation of one or more portfolios with substantially the same principal asset type.<sup>2</sup> An asset type is a category of investment instrument such as common stock or bond. For example, all of the portfolios whose principal asset type is bonds would be aggregated together as the Fixed Income asset class. As such, it would contain primarily—but not exclusively—the principal asset type. As

<sup>2</sup> The Strategic Investments asset class is an exception, purposefully established to potentially contain a variety of portfolios which may represent asset types and strategies not suitable for inclusion in other asset classes.

a standard management practice, portfolio managers are expected to meet their goals for all assets allocated to their portfolio.

It is expected that the FRS Portfolio will be managed in such a way that the actual allocation mix will remain within these ranges. Investment strategies or market conditions which result in an allocation position for any asset class outside of the enumerated ranges for a period exceeding thirty (30) consecutive business days shall be reported to the Board, together with a review of conditions causing the persistent deviation and a recommendation for subsequent investment action.

The asset allocation is established in concert with the investment objective, capital market expectations, projected actuarial liabilities, and resulting cash flows. Table 3 indicates estimated net cash flows (benefit payments less employer and employee contributions) and associated probabilities that are implicit in this policy statement, assuming the Legislature adheres to system funding provisions in current law. Additionally, the annualized income yield of the fund is projected to approximate 2% to 3%.

**Table 3: Estimated Net Cash Outflow (\$ millions/ % Fund)**

	In 5 Years		In 10 Years	
10 <sup>th</sup> Percentile	\$ 6,317	5.3%	\$ 11,200	6.3%
25 <sup>th</sup> Percentile	\$ 6,189	4.7%	\$ 9,762	5.5%
Median	\$ 6,063	4.2%	\$ 8,674	4.8%
75 <sup>th</sup> Percentile	\$ 5,925	3.8%	\$ 6,875	4.2%
90 <sup>th</sup> Percentile	\$ 5,760	3.6%	\$ 4,002	3.7%

## VII. PERFORMANCE MEASUREMENT

Asset class performance is measured in accordance with a broad market index appropriate to the asset class. The indices identified in Table 4 are used as the primary benchmarks for the authorized asset classes.

**Table 4: Authorized Target Indices**

Asset Class	Index
Global Equity	A custom version of the MSCI All Country World Investable Market Index (ACWI IMI), in dollar terms, net of withholding taxes on non-resident institutional investors, adjusted to reflect the provisions of the Protecting Florida's Investments Act
Fixed Income	The Barclays Capital U.S. Intermediate Aggregate Index
Real Estate	The core portion of the asset class is benchmarked to an average of the National Council of Real Estate Investment Fiduciaries (NCREIF) Fund Index – Open-ended Diversified Core Equity, NET of fees, weighted at 76.5%, and the non-core portion of the asset class is benchmarked to an average of the National Council of Real Estate Investment Fiduciaries (NCREIF) Fund Index – Open-ended Diversified Core Equity, NET of fees, weighted at 13.5%, plus a fixed return premium of 150 basis points per annum, and the FTSE EPRA/NAREIT Developed Index, in dollar terms, net of withholding taxes on non-resident institutional investors, weighted at 10% <sup>3</sup>

$$\begin{array}{c}
 \text{3} \quad \text{Core RE} \qquad \qquad \text{Non-Core RE} \qquad \qquad \text{Public RE} \\
 \underbrace{\hspace{1.5cm}} \quad \underbrace{\hspace{3.5cm}} \quad \underbrace{\hspace{2.5cm}} \\
 (76.5\% * \text{NFI-ODCE}) + [13.5\% * (\text{NFI-ODCE} + 150 \text{ bps})] + (10\% * \text{REIT Index})
 \end{array}$$

Private Equity	The MSCI All Country World Investable Market Index (ACWI IMI), in dollar terms, net of withholding taxes on non-resident institutional investors, adjusted to reflect the provisions of the Protecting Florida’s Investments Act, plus a fixed premium return of 300 basis points per annum
Strategic Investments	A weighted-average of individual portfolio level benchmark returns
Cash Equivalents	iMoneyNet First Tier Institutional Money Market Funds Net Index

The return on the Target Portfolio shall be calculated as an average of the returns to the target indices indicated in Table 4 weighted by the target allocations indicated by Table 2, but adjusted for floating allocations. The policy allocations for the private market asset classes would all “float” against the public market asset classes (i.e., limited short-term liquidity available for rebalancing and benefit payments means that their policy allocations would equal their actual allocations) as identified in Table 5.

**Table 5: Allocations of Private Market (Real Estate, Private Equity and Strategic Investments) Under and Overweights to Public Market (Global Equity, Fixed Income and Cash) Table 2 Target Allocations**

Public Market Asset Classes	Float Allocation Limit	Private Market Asset Classes		
		Real Estate	Private Equity	Strategic Investments
Global Equity	N/A	50%	100%	75%
Fixed Income	N/A	50%	0%	25%

Measurement of asset allocation performance shall be made by comparing the actual asset allocation times the return for the appropriate indices to the target allocation times the index returns. For asset classes with floating allocations the basis of tactical measurement shall be the asset class’s actual share.

Performance measurement of the effectiveness of the implementation of the Private Equity asset class shall be based on an internal rate of return (IRR) methodology, applied over significant periods of time. Performance measurement of the effectiveness of the implementation of the Private Equity and Strategic Investments asset classes shall be assessed relative to both the applicable index in Table 4 and:

- For Private Equity, ~~a fund-based private equity benchmark (e.g., from Venture Economics or Cambridge Associates)~~ the joint Cambridge Associates Global Private Equity and Venture Capital Index pooled return at peer group weights.
- For Strategic Investments, the CPI, as reported by the U.S. Department of Labor, Bureau of Labor Statistics (Consumer Price Index – All Urban Consumers), plus

5%. Fundamentally, the Strategic Investments asset class is expected to improve the risk-adjusted return of the total fund over multiple market cycles.

## **VIII. ASSET CLASS PORTFOLIO MANAGEMENT**

### **General Asset Class and Portfolio Guidelines**

The Executive Director is responsible for developing asset class and individual portfolio policies and guidelines which reflect the goals and objectives of this Investment Policy Statement. In doing so, he is authorized to use all investment authority spelled out in Section 215.47, Florida Statutes, except as limited by this Plan or SBA Rules. The Executive Director shall develop guidelines for the selection and retention of portfolios, and shall manage all external contractual relationships in accordance with the fiduciary responsibilities of the Board.

All asset classes shall be invested to achieve or exceed the return on their respective benchmarks over a long period of time. To obtain appropriate compensation for associated performance risks:

- Public market asset classes shall be well diversified with respect to their benchmarks and have a reliance on low cost passive strategies scaled according to the degree of efficiency in underlying securities markets, capacity in effective active strategies, and ongoing total fund liquidity requirements.
- Private Equity, Real Estate and Strategic Investments asset classes shall utilize a prudent process to maximize long-term access to attractive risk-adjusted investment opportunities through use of business partners with appropriate:
  - Financial, operational and investment expertise and resources;
  - Alignment of interests;
  - Transparency and repeatability of investment process; and
  - Controls on leverage.

### **Strategic Investments Guidelines**

The objective of the asset class is to proactively identify and utilize non-traditional and multi-asset class investments, on an opportunistic and strategic basis, in order to accomplish one or more of the following:

- Generate long-term incremental returns in excess of a 5% annualized real rate of return, commensurate with risk.
- Diversify the FRS Pension Plan assets.
- Provide a potential hedge against inflation.

- Increase investment flexibility, across market environments, in order to access evolving or opportunistic investments outside of traditional asset classes and effective risk-adjusted portfolio management strategies.

Strategic Investments may include, but not be limited to, direct investments authorized by s. 215.47, Florida Statutes or investments in capital commitment partnerships, hedge funds or other vehicles that make or involve non-traditional, opportunistic and/or long or short investments in marketable and nonmarketable debt, equity, and/or real assets (e.g., real estate, infrastructure, or commodities). Leverage may be utilized subject to appropriate controls.

The Executive Director shall develop and implement policies as appropriate for the orderly and effective implementation of the provisions of Chapter 2007-88, Laws of Florida, the “Protecting Florida’s Investments Act.” Actions taken and determinations made pursuant to said policies are hereby incorporated by reference into this Investment Policy Statement, as required by subsection 215.473(6), Florida Statutes.

The Executive Director shall develop and implement policies as appropriate for the orderly and effective implementation of the provisions of Chapter 2016-36, Laws of Florida, an act relating to companies that boycott Israel. Actions taken and determinations made pursuant to said policies are hereby incorporated by reference into this Investment Policy Statement, as required by subsection 215.472(5), Florida Statutes.

## **IX. REPORTING**

The Board directs the Executive Director to coordinate the preparation of quarterly reports of the investment performance of the FRS by the Board's independent performance evaluation consultant.

The following formal periodic reports to the Board shall be the responsibility of the Executive Director:

- An annual report on the SBA and its investment portfolios, including that of the FRS.
- A monthly report on performance and investment actions taken.
- Special investment reports pursuant to Section 215.44-215.53, Florida Statutes.

## **X. IMPLEMENTATION SCHEDULE**

This policy statement shall be effective January 1, 201~~5~~7.

## **FLORIDA RETIREMENT SYSTEM DEFINED BENEFIT PLAN INVESTMENT POLICY STATEMENT**

### **I. DEFINITIONS**

**Absolute Real Target Rate of Return** - The total rate of return by which the FRS Portfolio must grow, in excess of inflation as reported by the U.S. Department of Labor, Bureau of Labor Statistics (Consumer Price Index – All Urban Consumers), in order to achieve the long-run investment objective.

**Asset Class** - An asset class is an aggregation of one or more portfolios with the same principal asset type.<sup>1</sup> For example, all of the portfolios whose principal asset type was stocks would be aggregated together as the Global Equity asset class. As such, it would contain primarily—but not exclusively—the principal asset type.

**Asset Type** - An asset type is a category of investment instrument such as common stock or bond.

**Portfolio** - A portfolio is the basic organization unit of the FRS Fund. Funds are managed within portfolios. A portfolio will typically contain one principal asset type (common stocks, for example), but may contain other asset types as well. The discretion for this mix of asset types is set out in guidelines for each portfolio.

### **II. OVERVIEW OF THE FRS AND SBA**

The State Board of Administration (Board) provides investment management of assets contributed and held on behalf of the Florida Retirement System (FRS). The investment of retirement assets is one aspect of the activity involved in the overall administration of the Florida Retirement System. The Division of Retirement (DOR), the administrative agency for the FRS, provides full accounting and administration of benefits and contributions, commissions actuarial studies, and proposes rules and regulations for the administration of the FRS. The State Legislature has the responsibility of setting contribution and benefit levels, and providing the statutory guidance for the administration of the FRS.

### **III. THE BOARD**

The State Board of Administration has the authority and responsibility for the investment of FRS assets. The Board consists of the Governor, as Chairman, the Chief Financial Officer, and the Attorney General. The Board has statutory responsibility for the investment of FRS assets, subject to limitations on investments as outlined in Section 215.47, Florida Statutes.

The Board shall discharge its fiduciary duties in accordance with the Florida statutory fiduciary standards of care as contained in Sections 215.44(2)(a) and 215.47(10), Florida Statutes.

---

<sup>1</sup> The Strategic Investments asset class is an exception, purposefully established to contain a variety of portfolios which may represent asset types and strategies not suitable for inclusion in other asset classes.

The Board delegates to the Executive Director the administrative and investment authority, within the statutory limitations and rules, to manage the investment of FRS assets. An Investment Advisory Council (IAC) is appointed by the Board. The IAC meets quarterly, and is charged with the review and study of general portfolio objectives, policies and strategies, including a review of investment performance.

The mission of the State Board of Administration is to provide superior investment management and trust services by proactively and comprehensively managing risk and adhering to the highest ethical, fiduciary and professional standards.

#### **IV. THE EXECUTIVE DIRECTOR**

The Executive Director is charged with the responsibility for managing and directing administrative, personnel, budgeting, and investment functions, including the strategic and tactical allocation of investment assets.

The Executive Director is charged with developing specific individual investment portfolio objectives and policy guidelines, and providing the Board with monthly and quarterly reports of investment activities.

The Executive Director has investment responsibility for maintaining diversified portfolios, and maximizing returns with respect to the broad diversified market standards of individual asset classes, consistent with appropriate risk constraints. The Executive Director will develop policies and procedures to:

- Identify, monitor and control/mitigate key investment and operational risks.
- Maintain an appropriate and effective risk management and compliance program that identifies, evaluates and manages risks within business units and at the enterprise level.
- Maintain an appropriate and effective control environment for SBA investment and operational responsibilities.
- Approve risk allocations and limits, including total fund and asset class risk budgets.

The Executive Director will appoint a Chief Risk and Compliance Officer, whose selection, compensation and termination will be affirmed by the Board, to assist in the execution of the responsibilities enumerated in the preceding list. For day-to-day executive and administrative purposes, the Chief Risk and Compliance Officer will proactively work with the Executive Director and designees to ensure that issues are promptly and thoroughly addressed by management. On at least a quarterly basis, the Chief Risk and Compliance Officer will provide reports to the Investment Advisory Council, Audit Committee and Board and is authorized to

directly access these bodies at any time as appropriate to ensure the integrity and effectiveness of risk management and compliance functions.

Pursuant to written SBA policy, the Executive Director will organize an Investment Oversight Group(s) to regularly review, document and formally escalate guideline compliance exceptions and events that may have a material impact on the Trust Fund. The Executive Director is delegated the authority and responsibility to prudently address any such compliance exceptions, with input from the Investment Advisory Council and Audit Committee as necessary and appropriate, unless otherwise required in this Investment Policy Statement.

The Executive Director is responsible for evaluating the appropriateness of the goals and objectives in this Plan in light of actuarial studies and recommending changes to the Board when appropriate.

## **V. INVESTMENT OBJECTIVES**

The investment objective of the Board is to provide investment returns sufficient for the plan to be maintained in a manner that ensures the timely payment of promised benefits to current and future participants and keeps the plan cost at a reasonable level. To achieve this, a long-term real return approximating 5% per annum (compounded and net of investment expenses) should be attained, consistent with the actuarial investment return assumption of 7.65%. As additional considerations, the Board seeks to avoid excessive risk in long-term cost trends. To manage these risks, the volatility of annual returns should be reasonably controlled.

The Board's principal means for achieving this goal is through investment directives to the Executive Director. The main object of these investment directives is the asset class. The Board directs the Executive Director to manage the asset classes in ways that, in the Board's opinion, will maximize the likelihood of achieving the Board's investment objective within an appropriate risk management framework. The Board establishes asset classes, sets target allocations and reasonable ranges around them for each and establishes performance benchmarks for them. In addition, it establishes a performance benchmark for the total portfolio.

## VI. TARGET PORTFOLIO AND ASSET ALLOCATION RANGES

The Board's investment objective is an absolute one: achieve a specific rate of return, the absolute real target rate of return. In order to achieve it, the Board sets a relative objective for the Executive Director: achieve or exceed the return on a performance benchmark known as the Target Portfolio over time. The Target Portfolio is a portfolio composed of a specific mix of the authorized asset classes. The return on this portfolio is a weighted-average of the returns to passive benchmarks for each of the asset classes. The expectation is that this return will equal or exceed the absolute real target rate of return long-term and will thus assure achievement of the Board's investment objective.

This relative return objective is developed in a risk management framework. Risk from the perspective of the Board is any shortfall of actual investment returns relative to the absolute real target rate of return over long periods of time, and the asset mix is developed to manage this risk. In selecting the Target Portfolio, the Board considers information from actuarial valuation reviews and asset/liability studies of the FRS, as well as asset class risk and return characteristics. In addition, the timing of cash demands on the portfolio to honor benefit payments and other liabilities are an important consideration. Potential asset mixes are thus evaluated with respect to their expected return, volatility, liquidity, and other risk and return measures as appropriate.

The Target Portfolio defined in Table 2 has a long-term expected compound annual real return that approximates the absolute real target rate of return. To achieve the absolute real target rate of return or actuarial return, material market risk must be borne (i.e., year to year volatility of returns). For example, in 2008 the Trust Fund's net managed real return was -26.81% compared to gains of 17.56% in 2009 and 21.48% in 2003. While downside risk is considerably greater over shorter horizons, the natural investment horizon for the Trust Fund is the long-term. Table 1 illustrates a modeled estimate of the Target Portfolio's potential range of real returns that could result over longer-term investment horizons. Over a 15-year investment horizon there is an 80 percent probability that the Target Portfolio will experience a compound annual real return between -1.2% and 10.4% and a 90 percent probability that the Target Portfolio will experience a compound annual real return between -3.2% and 11.7%.

**Table 1: Expected Risk in Target Portfolio's Real Returns**

Time Horizon	5 <sup>th</sup> Percentile Real Return	10 <sup>th</sup> Percentile Real Return	90 <sup>th</sup> Percentile Real Return	95 <sup>th</sup> Percentile Real Return
10 Years	-5.5%	-3.2%	11.5%	12.7%
15 Years	-3.2%	-1.2%	10.4%	11.7%
20 Years	-2.3%	-0.2%	9.7%	10.8%
25 Years	-1.6%	0.1%	9.1%	10.3%
30 Years	-1.1%	0.7%	9.0%	10.0%

Although the Target Portfolio has an expected return and risk associated with it, it is important to note that this expected return is neither an explicit nor an implicit goal for the managers of the

Florida Retirement System Trust Fund (FRSTF). These figures are used solely in developing directives for fund management that will raise the probability of success in achieving the absolute real target rate of return. The Executive Director is held responsible not for specifically achieving the absolute real target rate of return in each period, but rather for doing at least as well as the market using the Target Portfolio's mix of assets.

In pursuit of incremental investment returns, the Executive Director may vary the asset mix from the target allocation based on market conditions and the investment environment for the individual asset classes. The Executive Director shall adopt an asset allocation policy guideline which specifies the process for making these tactical decisions. The guideline shall concentrate on the analysis of economic conditions, the absolute values of asset class investments and the relative values between asset classes. The Board establishes ranges for tactical allocations, as shown in Table 2.

**Table 2: Authorized Asset Classes, Target Allocations and Policy Ranges**

Asset Class	Target Allocation	Policy Range Low	Policy Range High
Global Equity	53%	45%	70%
Fixed Income	18%	10%	26%
Real Estate	10%	4%	16%
Private Equity	6%	2%	9%
Strategic Investments	12%	0%	16%
Cash Equivalents	1%	0.25%	5%
Total Fund	100%	--	--

For purposes of determining compliance with these policy ranges, an asset class is considered to be an aggregation of one or more portfolios with substantially the same principal asset type.<sup>2</sup> An asset type is a category of investment instrument such as common stock or bond. For example, all of the portfolios whose principal asset type is bonds would be aggregated together as the Fixed Income asset class. As such, it would contain primarily—but not exclusively—the principal asset type. As a standard management practice, portfolio managers are expected to meet their goals for all assets allocated to their portfolio.

It is expected that the FRS Portfolio will be managed in such a way that the actual allocation mix will remain within these ranges. Investment strategies or market conditions which result in an allocation position for any asset class outside of the enumerated ranges for a period exceeding

<sup>2</sup> The Strategic Investments asset class is an exception, purposefully established to potentially contain a variety of portfolios which may represent asset types and strategies not suitable for inclusion in other asset classes.

thirty (30) consecutive business days shall be reported to the Board, together with a review of conditions causing the persistent deviation and a recommendation for subsequent investment action.

The asset allocation is established in concert with the investment objective, capital market expectations, projected actuarial liabilities, and resulting cash flows. Table 3 indicates estimated net cash flows (benefit payments less employer and employee contributions) and associated probabilities that are implicit in this policy statement, assuming the Legislature adheres to system funding provisions in current law. Additionally, the annualized income yield of the fund is projected to approximate 2% to 3%.

Median	\$ 6,063	4.2%	\$ 8,674	4.8%

90 <sup>th</sup> Percentile	\$ 5,760	3.6%	\$ 4,002	3.7%

## VII. PERFORMANCE MEASUREMENT

Asset class performance is measured in accordance with a broad market index appropriate to the asset class. The indices identified in Table 4 are used as the primary benchmarks for the authorized asset classes.

**Table 4: Authorized Target Indices**

Asset Class	Index
Global Equity	A custom version of the MSCI All Country World Investable Market Index (ACWI IMI), in dollar terms, net of withholding taxes on non-resident institutional investors, adjusted to reflect the provisions of the Protecting Florida's Investments Act
Fixed Income	The Barclays Capital U.S. Intermediate Aggregate Index
Real Estate	The core portion of the asset class is benchmarked to an average of the National Council of Real Estate Investment Fiduciaries (NCREIF) Fund Index – Open-ended Diversified Core Equity, NET of fees, weighted at 76.5%, and the non-core portion of the asset class is benchmarked to an average of the National Council of Real Estate Investment Fiduciaries (NCREIF) Fund Index – Open-ended Diversified Core Equity, NET of fees, weighted at 13.5%, plus a fixed return premium of 150 basis points per annum, and the FTSE EPRA/NAREIT Developed Index, in dollar terms, net of withholding taxes on non-resident institutional investors, weighted at 10% <sup>3</sup>
Private Equity	The MSCI All Country World Investable Market Index (ACWI IMI), in dollar terms, net of withholding taxes on non-resident institutional investors, adjusted to reflect the provisions of the Protecting Florida's Investments Act, plus a fixed premium return of 300 basis points per annum
Strategic Investments	A weighted-average of individual portfolio level benchmark returns
Cash Equivalents	iMoneyNet First Tier Institutional Money Market Funds Net Index

The return on the Target Portfolio shall be calculated as an average of the returns to the target indices indicated in Table 4 weighted by the target allocations indicated by Table 2, but adjusted for floating allocations. The policy allocations for the private market asset classes would all

$$\begin{array}{c}
 \text{3} \quad \text{Core RE} \qquad \qquad \qquad \text{Non-Core RE} \qquad \qquad \qquad \text{Public RE} \\
 \underbrace{\hspace{1.5cm}} \quad \underbrace{\hspace{3.5cm}} \quad \underbrace{\hspace{2.5cm}} \\
 (76.5\% * \text{NFI-ODCE}) + [13.5\% * (\text{NFI-ODCE} + 150 \text{ bps})] + (10\% * \text{REIT Index})
 \end{array}$$

“float” against the public market asset classes (i.e., limited short-term liquidity available for rebalancing and benefit payments means that their policy allocations would equal their actual allocations) as identified in Table 5.

**Table 5: Allocations of Private Market (Real Estate, Private Equity and Strategic Investments) Under and Overweights to Public Market (Global Equity, Fixed Income and Cash) Table 2 Target Allocations**

Public Market Asset Classes	Float Allocation Limit	Private Market Asset Classes		
		Real Estate	Private Equity	Strategic Investments
Global Equity	N/A	50%	100%	75%
Fixed Income	N/A	50%	0%	25%

Measurement of asset allocation performance shall be made by comparing the actual asset allocation times the return for the appropriate indices to the target allocation times the index returns. For asset classes with floating allocations the basis of tactical measurement shall be the asset class’s actual share.

Performance measurement of the effectiveness of the implementation of the Private Equity asset class shall be based on an internal rate of return (IRR) methodology, applied over significant periods of time. Performance measurement of the effectiveness of the implementation of the Private Equity and Strategic Investments asset classes shall be assessed relative to both the applicable index in Table 4 and:

- For Private Equity, the joint Cambridge Associates Global Private Equity and Venture Capital Index pooled return at peer group weights.
- For Strategic Investments, the CPI, as reported by the U.S. Department of Labor, Bureau of Labor Statistics (Consumer Price Index – All Urban Consumers), plus 5%. Fundamentally, the Strategic Investments asset class is expected to improve the risk-adjusted return of the total fund over multiple market cycles.

## VIII. ASSET CLASS PORTFOLIO MANAGEMENT

### General Asset Class and Portfolio Guidelines

The Executive Director is responsible for developing asset class and individual portfolio policies and guidelines which reflect the goals and objectives of this Investment Policy Statement. In doing so, he is authorized to use all investment authority spelled out in Section 215.47, Florida Statutes, except as limited by this Plan or SBA Rules. The Executive Director shall develop guidelines for the selection and retention of portfolios, and shall manage all external contractual relationships in accordance with the fiduciary responsibilities of the Board.

All asset classes shall be invested to achieve or exceed the return on their respective benchmarks over a long period of time. To obtain appropriate compensation for associated performance risks:

- Public market asset classes shall be well diversified with respect to their benchmarks and have a reliance on low cost passive strategies scaled according to the degree of efficiency in underlying securities markets, capacity in effective active strategies, and ongoing total fund liquidity requirements.
- Private Equity, Real Estate and Strategic Investments asset classes shall utilize a prudent process to maximize long-term access to attractive risk-adjusted investment opportunities through use of business partners with appropriate:
  - Financial, operational and investment expertise and resources;
  - Alignment of interests;
  - Transparency and repeatability of investment process; and
  - Controls on leverage.

### **Strategic Investments Guidelines**

The objective of the asset class is to proactively identify and utilize non-traditional and multi-asset class investments, on an opportunistic and strategic basis, in order to accomplish one or more of the following:

- Generate long-term incremental returns in excess of a 5% annualized real rate of return, commensurate with risk.
- Diversify the FRS Pension Plan assets.
- Provide a potential hedge against inflation.
- Increase investment flexibility, across market environments, in order to access evolving or opportunistic investments outside of traditional asset classes and effective risk-adjusted portfolio management strategies.

Strategic Investments may include, but not be limited to, direct investments authorized by s. 215.47, Florida Statutes or investments in capital commitment partnerships, hedge funds or other vehicles that make or involve non-traditional, opportunistic and/or long or short investments in marketable and nonmarketable debt, equity, and/or real assets (e.g., real estate, infrastructure, or commodities). Leverage may be utilized subject to appropriate controls.

The Executive Director shall develop and implement policies as appropriate for the orderly and effective implementation of the provisions of Chapter 2007-88, Laws of Florida, the “Protecting Florida’s Investments Act.” Actions taken and determinations made pursuant to said policies are hereby incorporated by reference into this Investment Policy Statement, as required by subsection 215.473(6), Florida Statutes.

The Executive Director shall develop and implement policies as appropriate for the orderly and effective implementation of the provisions of Chapter 2016-36, Laws of Florida, an act relating to companies that boycott Israel. Actions taken and determinations made pursuant to said policies are hereby incorporated by reference into this Investment Policy Statement, as required by subsection 215.472(5), Florida Statutes.

## **IX. REPORTING**

The Board directs the Executive Director to coordinate the preparation of quarterly reports of the investment performance of the FRS by the Board's independent performance evaluation consultant.

The following formal periodic reports to the Board shall be the responsibility of the Executive Director:

- An annual report on the SBA and its investment portfolios, including that of the FRS.
- A monthly report on performance and investment actions taken.
- Special investment reports pursuant to Section 215.44-215.53, Florida Statutes.

Once the RMD has been calculated, the RMD will be paid to the member, even if the member returns to active FRS employment during the calendar year.~~

(b) The amount of an RMD in any year is based on account balances as of December 31st of the prior year. Once the RMD has been calculated, the RMD will be paid to the member, even if the member returns to active FRS employment during the calendar year.

~~(c)~~ The FRS Investment Plan Administrator will notify a member who is subject to an RMD distribution at the beginning of each calendar year. At the end of the calendar year in which the RMD was required to be paid, if the member has not requested the

required RMD distribution amount, the ~~FRS~~ Investment Plan Administrator will initiate an automatic RMD to meet the mandatory required distribution amount. Members have the right to defer the initial RMD to April of the year following the year in which the RMD was payable. Members can defer the initial RMD by calling the ~~FRS~~ Investment Plan Administrator at 1(866)446-9377, Option 4 or, for members who are deaf, hard of hearing, or speech impaired, TRS 711, by November 30.

(a) An Investment Plan member eligible to request a distribution pursuant to subsection (2) above may request a distribution forty five (45) days prior to his or her eligibility date and have it pended for processing until the first business day of the month the member is eligible for the distribution. A member who has reached his or her normal retirement date is eligible to request a distribution fifteen (15) days prior to his or her eligibility date for the one-time distribution of up to ten (10%) of the member's vested account balance. The distribution will process after 4 p.m. EST on the first business day of the month the member is eligible for the distribution. The member can call the Investment Plan Administrator at 1(866)446-9377, Option 4, or, if deaf, hard of hearing, or speech impaired, at TRS 711, to process the distribution.

1. Example 1: A member terminates on May 15. The three calendar months are June, July, and August. Thus, he member is eligible to request a distribution the first business day of September. On July 15, or the first business day after July 15, the member can call the Investment Plan Administrator to process the distribution. The distribution will pend and process on the first business day in September.

2. Example 2: A member who has reached his or her normal retirement as provided in subsection (2)(a) above, terminates on August 15. One calendar month is September. The member is eligible to request a one-time distribution of up to 10 percent (10%) of the vested account balance on the first business day of October. On September 15, or the first business day after September 15, the member can call the Investment Plan to process the distribution. (e) A distribution cannot be pended if the member has passed his or her distribution eligibility date.

(109) Invalid distributions.

(a) If a member or a former member of the ~~FRS~~ Investment Plan receives an invalid distribution, the member or former member is required to repay the entire invalid distribution within ninety (90) days of the member's receipt of a final notification from the SBA, or in lieu of repayment, the member must terminate employment from all ~~FRS~~-participating employers. If the member fails to repay the invalid distribution, or terminate employment, the employer is liable for the repayment of the invalid distribution even if the member signed a statement at the time the member was hired that no benefit had been received from the Plan.

1. If a member repays the entire distribution, the member's repayment will be deposited in the ~~FRS~~ member's Investment Plan account; the member will be returned to the Investment Plan; and all future employee and employer contributions will be deposited in the funds the member has chosen.

2. If the employer repays the entire distribution, the repayment will be deposited in the Investment Plan Trust Fund and allocated to the Investment Plan's forfeiture account to offset plan expenses. The member will be returned to the Investment Plan; and all future employee and employer contributions will be deposited in the funds the member has chosen. The member will not receive contributions for the amount repaid by the employer.

3. If the member fails to repay the invalid distribution and terminates employment, the SBA will declare the member a retiree and will not pursue the repayment of the invalid distribution pursuant to paragraph (~~ab~~) above. As a retiree, the member is subject to

the provisions of Section 121.122, F.S., if the member is reemployed in the future with an FRS-participating covered employer in a regularly established position.

(b) The following are examples of scenarios that could result in invalid distributions. These~~y~~ are only examples and are not inclusive of all possible situations. Members and employers are encouraged to contact the ~~FRS~~ Investment Plan Administrator to discuss the particular situation.

1. Example 1: A member joined the ~~FRS~~ Investment Plan effective September 1, 2002. The member terminated all employment from his FRS-participating covered employer on August 24, ~~2015~~ ~~2012~~. On December 15, ~~2015~~ ~~2012~~, the member takes a partial distribution from the Investment Plan account. However, the member returned to employment with an FRS-participating employer on December 1, ~~2015~~ ~~2012~~. The member took an invalid distribution because the member was working for an FRS-participating employer at the time the member received the distribution.

2. Example 2: A member joined the ~~FRS~~ Investment Plan effective April 1, 2004. The member terminates ~~all FRS-covered~~ employment with an FRS-participating employer on November 12, ~~2015~~ ~~2012~~. On March 1, ~~2016~~ ~~2013~~, the member takes a total distribution from his Investment Plan account. The member returns to employment as a substitute teacher with a FRS-participating employer ~~FRS-covered employment~~ on April 15, ~~2016~~ ~~2013~~. The March 1, ~~2016~~ ~~2013~~ distribution is invalid since the member returned to work within six (6) full calendar months of the retirement date.

3. Example 3: A member joined the ~~FRS~~ Investment Plan effective May 1, 2005. The member terminates employment with the member's FRS-participating employer ~~all FRS-covered employment~~ on November 12, ~~2015~~ ~~2012~~. The member has reached the normal retirement date. On January 5, ~~2016~~ ~~2013~~, the member receives the one-time distribution of up to 10 percent from the Investment Plan account. The member returns ~~to FRS-covered~~ employment with an FRS-participating employer on May 15, ~~2016~~ ~~2013~~. The January 5, ~~2016~~ ~~2013~~, distribution is invalid since the member returned to work within six (6) calendar months of the member's ~~his~~ retirement date.

4. Example 4: A member joined the Investment Plan effective December 1, 2010. The member is terminated by his FRS-participating employer on April 3, 2014 for violating standards of employee conduct. The member files a grievance against the employer and requests to be reinstated with full back pay. On February 15, 2015, the member requests a total distribution from the Investment Plan account. On September 22, 2015, the member's grievance is granted, the member's termination is negated and the member is reinstated to employment as of April 3, 2014 with full back pay through September 22, 2015. The member's employment records are corrected to show the member had an employee/employer relationship from April 3, 2014 through September 22, 2015. The member's February 15, 2015 distribution is invalid since the member was not terminated from employment with an FRS-participating employer at the time the member received the distribution.

~~(1149)~~ Documentation of a distribution made prior to January 1, 2010-

A member or beneficiary who requests documentation of a distribution made prior to January 1, 2010, will incur a special service charge due to the extensive resources required to retrieve and produce such documentation, if such retrieval is possible. The requestor will be advised of the amount of such charge at the time the request is made. Upon payment of the charge by the requestor, the request will be promptly processed. If the document cannot be retrieved, the payment will be reimbursed to the requestor.

The form to be used by the member in conducting the trades is the "Transfer Request Form, Excessive Fund Trading Violators," Form EFTPV-1, rev. 06/10. This form must be notarized and returned to the Office of Defined Contribution Programs, via U.S. mail, certified\return receipt requested.

6. Members who engage in Market Timing Trades and who have previously received a direction letter as described in subparagraph 5., above, will be sent another direction letter, delivered by courier. The direction letter will advise the member ~~shall require~~ that the member will ~~shall~~ only be permitted to conduct trades involving primary funds via paper trading forms for the remainder of any time that any balance exists in the member's Investment Plan account following the date of the direction letter. The form to be used by the member in conducting the trades is the "Transfer Request Form, Excessive Fund Trading Violators," Form EFTPV-1, rev. 06/10. This form must be notarized and returned to the Office of Defined Contribution Programs, via U.S. mail, certified/return receipt requested.

7. If the member submits a transfer request form that is incomplete, the form will not be processed. A form is considered as "incomplete" if it does not contain the name of the member; does not set forth the social security number of the member; is not notarized; is sent by facsimile, email or regular U.S. mail; does not specify what fund(s), dollar amount(s) or percentages(s) are to be transferred; or does not indicate the fund(s) into which the amounts are to be transferred. The form also will be considered "incomplete" if there are insufficient assets to execute the transfer(s), or if the requested transfer does not comply with the FRS Investment Plan Excessive Fund Trading Policy. Deficiencies are corrected through the resubmission of a transfer request form that is deemed to be complete.

8. Members who receive ~~received~~ direction letters and who are ~~were~~ placed on restricted trading within their primary funds, as provided in subparagraphs 2., 3., 4., 5. and 6. of paragraph (2)(b), shall be allowed to make automated trades in, out and within the SDBA. Any such ~~The~~ member must meet the requirements of the SDBA as provided in Rule 19-11.013, F.A.C. Such ~~The~~ member's activity within the SDBA is not subject to this policy, but will be subject to the applicable excessive trading rules and purchase restrictions of the funds in the SDBA.

A total of \$125,000 is transferred from the ~~m~~Member's account to a newly-established account for the ~~m~~Member's spouse and the funds are put into a foreign stock fund on December 1. On December 5, the ~~m~~Member's spouse rolls over the entire \$125,000 into an IRA. This is neither a Roundtrip Trade nor a Market Timing Trade because the transfer is an exempt transaction, as defined in Rule 19-11.001, F.A.C.

(g) Member A ~~member~~ transfers \$32,000 into Fund A on August 5 and then transfers \$32,000 out of Fund A on August 11 and then transfers \$31,000 into Fund A on August 17 and finally transfers \$31,000 out of Fund A on August 18. The entire series of trades are Roundtrip Trades and the trades are also a Market Timing Trade because the aggregate amount of all trades exceeded \$75,000 within a 30 day period.

(h) If Member A transfers \$50,000 out of Fund A and into the SDBA on January 2, and then transfers \$35,000 from the SDBA into Fund A on January 25, the transaction is a Roundtrip Trade and a Market Timing Trade because the aggregate amount of all trades into and out of Fund A exceeded \$75,000 within a 30 day period.

(i) If Member A transfers \$40,000 out of Fund B and into the SDBA on February 15, and then transfers \$55,000 from Fund C into Fund B on March 3, the transaction is a Roundtrip Trade and a Market Timing Trade because the aggregate amount of all trades into and out of Fund B exceeded \$75,000 within a 30 day period.

#### **(2) Specific Enrollment Procedures-**

(a) All newly-hired employees may enroll in the ~~FRS~~ Investment Plan no later than 4:00 p.m. (Eastern Time) the last business day of the 5th month following the employee's month of hire or may elect to remain in the ~~FRS~~ Pension Plan. Example: If an employee is hired on January 15, the employee must complete a plan choice no later than 4:00 p.m. (Eastern Time) the last business day of June. If no plan choice is filed; by 4:00 p.m. (Eastern Time) on the last business day of June, the employee will default to the ~~FRS~~ Pension Plan and will be considered the employee's initial plan choice.

(b) The employee must be actively employed, earning salary and service credit when the plan choice is processed by the ~~FRS~~ Plan Choice Administrator.

(c) If the employee terminates employment during the plan choice enrollment window and fails to make a plan choice, he or she will be considered a newly-hired employee if returning to FRS-covered employment in the future and will be given another opportunity to make a plan choice. All previous service will be considered Pension Plan service.

(ed) The State Board of Administration (SBA) has designed the forms set forth below for ease of use for employees in the several membership classes of the ~~Florida Retirement System~~ FRS. As an alternative, an employee not wishing to use the forms may provide the same information requested by the forms available for use for the appropriate membership class in a separate document. Employees may determine their membership class by contacting the agency's human resources office. The forms available are: an EZ Retirement Plan Enrollment Form, Form ELE-1-EZ, rev. 08/16 06/14, <http://www.flrules.org/Gateway/reference.asp?No=Ref-04388>, which is only for regular, special risk, and special risk administrative support class employees; a General Retirement Plan Enrollment Form, Form ELE-1, rev. 08/16 07/15, <http://www.flrules.org/Gateway/reference.asp?No=Ref-05800> for regular, special

risk, and special risk administrative support class employees; an Elected Officers' Class Retirement Plan Form, Form EOC-1, rev. 10/16 07/15, [http://www.flrules.org/Gateway/reference.asp?No=Ref\\_05801](http://www.flrules.org/Gateway/reference.asp?No=Ref_05801); a Community College Optional Retirement Program (CCORP) Enrollment Form, Form OCC-1, rev. 10/16 07/15, [http://www.flrules.org/Gateway/reference.asp?No=Ref\\_05802](http://www.flrules.org/Gateway/reference.asp?No=Ref_05802); a State Senior Management Service Employees Retirement Plan Enrollment Form, Form SMS-1, Rev. 08/16 07/15, [http://www.flrules.org/Gateway/reference.asp?No=Ref\\_05803](http://www.flrules.org/Gateway/reference.asp?No=Ref_05803); and a Local Senior Management Service Employees Retirement Plan Enrollment Form, Form SMS-3, rev. 08/16 07/15, [http://www.flrules.org/Gateway/reference.asp?No=Ref\\_05804](http://www.flrules.org/Gateway/reference.asp?No=Ref_05804). All of the preceding forms are hereby adopted and incorporated by this reference.

1. All enrollment forms can be obtained at the sources listed in subsection paragraph (1)(g), above.

2. Only members of the Regular, Special Risk, and Special Risk Administrative Support classes of employees may use the EZ form, "EZ Retirement Plan Enrollment Form for Regular, Special Risk and Special Risk Administrative Support Class Employees," Form ELE-1-EZ. If an employee chooses to use the EZ form, only limited information (i.e., name, plan choice, last four digits of the social security number, date of birth and signature) is required. An age appropriate retirement date fund as provided under the Plan provisions is the initial investment option (although that investment option may be changed by the member once the account is funded). A member's initial beneficiary designation will be per Florida law, as provided in Section 121.4501(20), F.S. However, a beneficiary designation may be made as set forth in Rule 19-11.002, F.A.C.

(e)1. The enrollment by form or electronic means shall be complete and the election shall be final if all the required information is clearly indicated and if the enrollment is received by the ~~FRS~~ Plan Choice Administrator by 4:00 p.m. (Eastern Time) on the last business day of the 5th month following the date of hire. The form shall be transmitted via mail, courier, or by fax, as provided on the form. It is the responsibility of the member to ensure that the enrollment form is received by the Plan Choice Administrator no later than 4:00 p.m. (Eastern Time) on the last business day that the member is earning salary and service credit, or the last business day of the 5th month following the date of hire, whichever first occurs.

2. The ~~FRS~~ Plan Choice Administrator shall determine that the employee's enrollment in the ~~FRS~~ Investment Plan is complete and the employee's election is clearly indicated. If the Plan Choice Administrator determines that the enrollment is incomplete, the employee will be required to resubmit a completed enrollment. An incomplete enrollment by form is a form which is missing the name of the member, last four digits of the social security number, plan selection, or signature, or one on which the investment elections total greater than or less than 100%. If the form is incomplete only because the member has made no investment selection, the form will be processed and the member will be defaulted into an age appropriate retirement date fund as provided under the Plan provisions for investing any accumulated benefit obligation and all future contributions. Note that this default selection may be changed by the member at any time once the account is activated. An incomplete enrollment by electronic means is one in which the ~~FRS~~ Plan Choice Administrator has no record of receipt and/or processing of the electronic enrollment.

3. By enrolling in the Investment Plan and providing a personal e-mail address or cell phone number, the member has consented to electronic delivery of documents through the MyFRS.com website, including but not limited to prospectuses, quarterly account statements, account transaction confirmation statements, privacy notices, annual fee disclosure statement, and other documents. When one of these documents is available, an e-mail notice will be sent to the e-mail address or a text message to the cell phone number provided by the member notifying the member of the document's availability. The member will need to log in to the MyFRS.com website in order to view and print any of these documents. Receipt of documents through MyFRS.com will continue until the member calls the MyFRS Financial Guidance Line at 1(866)446-9377, Option 4 and revokes the member's consent.

(f) Upon receipt of the completed enrollment form by the ~~FRS~~ Plan Choice Administrator, the ~~FRS~~ Plan Choice Administrator shall enroll the employee in the indicated FRS retirement plan. Upon completion of the enrollment, but no later than two working days after enrollment, the ~~FRS~~ Plan Choice Administrator shall send confirmation of the effective enrollment to the employee at the employee's address of record or electronically if the member has consented to electronic delivery of documents through the MyFRS.com website and to the Division to inform the Division of the employee's retirement plan choice. The employer shall change its employee records to reflect the employee's plan choice, if applicable.

~~(f) If an employee terminates employment prior to making a plan choice, the employee will be considered a newly hired employee if he or she returns to FRS covered employment, and will be given another opportunity to make a plan choice. Any previous service will be considered as being FRS Pension Plan service.~~

(g) Employers shall remit retirement contributions monthly for their employees and those contributions are due to the Division by the 5th working day of the month following the month for which the contributions are made.

(3) Grace Period-

(a) If a member files an election with the ~~FRS~~ Plan Choice Administrator and the member realizes that the election was made in error, or if the member has reconsidered the election made, the SBA will consider, on a case-by-case basis, whether the election will be voided, if the member notifies the SBA by calling the toll-free MyFRS Financial Guidance Line at 1(866)446-9377 or by sending written correspondence directly to the SBA, to the Plan Choice Administrator, or to the Division no later than 4:00 p.m. (Eastern Time) on the last business day of the election effective month, subject to the following requirements:

~~(b) The member must notify the SBA, by a telephone call to the toll free MyFRS Financial Guidance Line at 1(866)446-9377 or by written correspondence directly to the SBA, to the Plan Choice Administrator, or to the Division no later than 4:00 p.m. (Eastern Time) on the last business day of the election effective month.~~

~~(be)~~ If the request to reverse the election is made timely and the SBA finds that the election was made in error, the member will be required to sign a release and return it to the SBA no later than 4:00 p.m. (Eastern Time), on the last business day of the election effective month prior to the election's being officially reversed. The member will acknowledge that failure to return a signed release by the requested due date will result in the original election being reinstated.

~~(cd)~~ Upon receipt of the release, the Division and the Plan Choice Administrator will be directed to do the following:

1. The Division will revise its database to reflect the member's plan change. The member will have until his or her choice period deadline date to make a new election. If the member's choice period has ended, the member will have one calendar month to make a new election. Failure to make a new election will result in the member's defaulting into the Pension Plan, except for the situation described in subparagraph 3., below.

2. The Plan Choice Administrator will send the member written confirmation that the election has been reversed.

3. If the member had elected the ~~FRS~~ Investment Plan and decided to remain in the ~~FRS~~ Pension Plan, there is no need for another election, because the member is already in the ~~FRS~~ Pension Plan, his election to the ~~FRS~~ Investment Plan having been reversed.

~~(de)~~ Nothing contained in this subsection will interfere with a member's right to file a complaint, as permitted by Section 121.4501(8)(g), F.S., and discussed in Rule 19-11.005, F.A.C.

### **19-11.007 Second Election Enrollment Procedures for the Florida Retirement System ~~FRS~~ Retirement Programs.**

(1) This rule includes procedures for members who initially chose the Florida Retirement System (FRS) Investment Plan or the ~~FRS~~ Investment Plan Hybrid Option to use their 2nd election to transfer to the ~~FRS~~ Pension Plan; and for members who chose or defaulted into the ~~FRS~~ Pension Plan to use their 2nd election to transfer to the ~~FRS~~ Investment Plan or the ~~FRS~~ Investment Plan Hybrid Option.

(2) A member may make a valid 2nd election only if the 2nd election is made and processed by the Plan Choice Administrator while the member is actively employed and earning salary and service credit in an employer-employee relationship consistent with the requirements of Section 121.021(17)(b), F.S. ~~Members on an unpaid leave of absence, or terminated members, or employees of an educational institution on summer break cannot use their 2nd election until they return to FRS-covered FRS employment. Employees of an educational institution on summer break cannot use their 2nd election during the full calendar months of their summer break. For example, if the last day of the school term is May 21st and the first day of the new school term is August 17th, the employee may not file a 2nd election in the calendar months of June or July. The beginning of the school term is determined by the employer. In general terms, this means that the 2nd election can only must be made and processed while the member is actively working and being paid for that work. It is the responsibility of the member to assure that the 2nd election is received by the Plan Choice Administrator no later than 4:00 p.m. (Eastern Time) on the last business day of the month the member is actively employed working and earning salary and service credit.~~

(a) The following are examples of scenarios that could result in an invalid 2nd election. They are only examples and are not inclusive of all possible situations. Members and employers are encouraged to contact the MyFRS Financial Guidance Line to discuss their particular situation.

1. Example 1: A member goes on unpaid leave of absence on November 12, 2015. On December 4, 2015, the Investment Plan

Administrator receives a 2<sup>nd</sup> election form from the member electing to transfer from the Pension Plan to the Investment Plan. The member returns from leave of absence on January 7, 2016. The member's 2<sup>nd</sup> election is not valid because the member did not earn salary and service credit in the month of December 2015. The member would be required to submit another 2<sup>nd</sup> election while actively employed and earning salary and service credit.

2. Example 2: A teacher is on summer break from June 6, 2014 through August 12, 2014. On July 21, 2014, the Investment Plan Administrator receives a 2<sup>nd</sup> election from the teacher electing to transfer from the Investment Plan to the Pension Plan. The teacher's second election is not valid because the member did not earn salary and service credit in the month of July 2014. The teacher would be required to submit a second election form while actively employed and earning salary and service credit once the member has returned from summer break.

3. Example 3: A member terminates FRS-covered employment on March 31, 2016. On April 1, 2016, the Investment Plan Administrator receives a 2<sup>nd</sup> election from the member electing to transfer from the Pension Plan to the Investment Plan. The member's 2<sup>nd</sup> election is not valid because the second election form was received after the member terminated FRS-covered employment. The member would be required to return to FRS-covered employment and submit a 2<sup>nd</sup> election form while actively employed and earning salary and service credit.

(3) General Procedures:-

(a) All members who wish to change their FRS retirement plan using their 2<sup>nd</sup> election must use a 2<sup>nd</sup> election enrollment form or, if moving from the ~~FRS~~ Pension Plan to the ~~FRS~~ Investment Plan or ~~FRS~~ Investment Plan Hybrid Option, may do so online by accessing the Second Election Choice Service at MyFRS.com. There are two types of enrollment forms:- The "2<sup>nd</sup> Election Retirement Plan Enrollment Form", Form ELE-2, rev.08/16 07/15, <http://www.flrules.org/Gateway/reference.asp?No=Ref-05805>, which is hereby adopted and incorporated by reference. This form allows the member to select different investment fund options if the member is changing from the ~~FRS~~ Pension Plan to either the ~~FRS~~ Investment Plan or the ~~FRS~~ Investment Plan Hybrid Option. Alternatively, the member can complete the "2<sup>nd</sup> Election EZ Retirement Plan Enrollment Form," Form ELE-2EZ, rev. 08/16 07/15, <http://www.flrules.org/Gateway/reference.asp?No=Ref-05806>, which is hereby adopted and incorporated by reference. By completing this form, the member is choosing to have the employer and employee contributions and any transfers from the ~~FRS~~ Pension Plan invested in an age appropriate retirement date fund as provided under the Plan provisions. The member may change the investment selection at any time after the ~~FRS~~ Investment Plan or the ~~FRS~~ Investment Plan Hybrid Option account is activated. Activation occurs when contributions are deposited to the member's ~~FRS~~ Investment Plan account.

(b) Both forms are available by calling the toll-free number for the MyFRS Financial Guidance Line: 1(866)446-9377, Option 4 or for members who are deaf, hard of hearing, or speech-impaired: TRS 711; or by using the MyFRS.com website and clicking on Resources and then on Forms.

(c) Elections made by form must be mailed to the ~~FRS~~ Plan Choice Administrator, P. O. Box 785027, Orlando, Florida 32878-5027; or faxed toll-free to the number provided on the form. It is the responsibility of the member to ensure that the 2<sup>nd</sup> election Election form Form is received by the Plan Choice Administrator.

(d) For members transferring to the Investment Plan who provide a personal e-mail address or cell phone number, the member has consented to electronic delivery of documents through the MyFRS.com website, including but not limited to prospectuses, quarterly account statements, account transaction confirmation statements, privacy notices, annual fee disclosure statement, and other documents. When one of these documents is available, an e-mail notice will be sent to the e-mail address or a text message to the cell phone number provided by the member notifying the member of the document's availability. The member will need to log in to the MyFRS.com website to view and print any of these documents. Receipt of documents through MyFRS.com will continue until the member calls the MyFRS Financial Guidance Line at 1-866-446-9377, Option 4 and revokes the member's consent.

(e) For members transferring to the ~~FRS~~ Pension Plan, if the member's Investment Plan account balance was less than the calculated amount required to buy back into the ~~FRS~~ Pension Plan, the election will require a personal payment. The member will receive notification and proper instructions from the Division of Retirement (Division) detailing where and in what form to send any personal payments. Such payment, if necessary, must be received by the date determined by the Division. If the required amount is not received by the Division by the date due, the election will be voided.

(f) A confirmation statement will be mailed to the member's address of record once the completed form is received and processed.

(g) The member should carefully review the form and be sure that it is signed, dated, and sets forth the member's second election plan choice. A copy of the form should be retained for the member's records.

(~~hg~~) If the member submits a form that is incomplete, it will not be processed. An incomplete form is a form which is missing the name of the member, last four digits of the social security number, plan selection, or signature, or one on which the total investment elections are greater or less than 100%. The member will be required to resubmit a completed ~~second~~2nd election enrollment form. If the form is incomplete only because the member has made no investment selection, the form will be processed and the member will be defaulted into an age appropriate retirement date fund as provided under the Plan provisions for investing the member's accumulated benefit obligation and all future contributions. Note that this default selection may be changed by the member at any time once the account is activated.

(4) Grace Period.

(a) If a member files an election with the Plan Choice Administrator and the member realizes that the election was made in error, or if the member has reconsidered his or her plan choice, the SBA will consider, on a case-by-case basis, whether the election will be reversed, subject to the following: The member must notify the SBA by calling a telephone call to the toll free MyFRS Financial Guidance Line at: 1(866)446-9377, or by sending written correspondence directly to the SBA, to the Plan Choice Administrator, to the MyFRS Financial Guidance Line, or to the Division, no later than 4:00 p.m. (Eastern Time) on the last business day of the election effective month.

(b) If the request to reverse the election is made timely and the SBA finds the election was made in error, the member will be required to sign a release and return it to the SBA no later than 4:00 p.m. (Eastern Time), on the last business day of the election effective month prior to the election's being officially reversed. Upon receipt of the release, the Division and the Plan Choice Administrator will be directed to take the necessary steps to reverse the election and to correct the member's records to reflect the election reversal.

(d) The member retains the right to file a subsequent 2<sup>nd</sup> ~~second~~ election consistent with subsections (2) and (3), above.

### **19-11.008 Forfeitures.**

(1) Forfeitures after Separation or Retirement from Florida Retirement System (FRS) Investment Plan Employment.

(a) If a member terminates FRS-covered employment before vesting in an Investment Plan benefit or any transferred Pension Plan benefit, the member will not be entitled to any benefit, other than employee contributions, which are immediately vested. In such case, the unvested account balance will be placed in a suspense account for a period not to exceed five (5) years from the date of the member's termination. The suspense account shall be invested in the FIAM Pyramis ~~Intermediate~~ Duration Pool Fund, where it will accrue actual investment earnings or losses.

(b) If the member returns to work for an FRS-participating employer in an FRS-covered position within the five (5) years from the date of termination, the member will be returned to the Investment Plan and the unvested account balance, reflecting any earnings or losses while invested in the FIAM Pyramis ~~Intermediate~~ Duration Pool Fund, will be returned to the member's account, together with the associated service credit. Any additional service credit earned will be applied towards vesting of the member's benefit.

(c) If the member never returns to work for an FRS-participating employer in an FRS-covered position or if the member returns to ~~FRS-covered~~ employment five (5) or more years after the date of termination, the member will forfeit the unvested account balance and the associated service credit.

(d) If the member leaves FRS-covered employment after vesting in an Investment Plan benefit, but before the member vests in any transferred Pension Plan benefit, the member shall only be entitled to receive the vested Investment Plan benefit. However, if the member takes any self-initiated distribution from the vested Investment Plan benefit, the unvested Pension Plan benefit transferred into the Investment Plan, plus any earnings on these funds will be forfeited along with the associated service credit.

(e) If the member does not take a self-initiated distribution of any vested Investment Plan benefit after terminating from all ~~FRS-participating employers employment~~, the unvested Pension Plan benefit will be transferred six (6) months following termination to a suspense account. The suspense account is invested in the ~~FIAM Pyramis~~ Intermediate Duration Pool Fund, where it will accrue actual investment earnings or losses. If the member returns to FRS-covered employment within five (5) years from the date of termination, the member's benefit, reflecting any earnings or losses while invested in the ~~FIAM Pyramis~~ Intermediate Duration Pool Fund, will be returned to the member's account, together with the associated service credit. Any additional service credit earned will be applied towards the vesting of the member's benefit.

(f) If an ~~FRS~~ Investment Plan Hybrid Option member leaves FRS-covered employment after vesting in the Investment Plan benefit, but before vesting in the Pension Plan benefit, the member shall only be entitled to receive the vested Investment Plan benefit. However, if the member takes any self-initiated distribution of the vested Investment Plan benefit, the unvested Pension Plan benefit will be forfeited along with the associated service credit. If the member does not take a distribution from the Investment Plan and later returns to work for an FRS-covered employer, the member will be returned to the ~~FRS~~ Investment Plan Hybrid Option and the service credit for the existing Pension Plan and Investment Plan service, combined with any future service credit, will be applied towards vesting of the member's account.

(g) If a member is required to receive a required minimum distribution (RMD), the unvested Pension Plan benefit and the associated service credit, will not be forfeited.

(h) If a member's benefit and service are forfeited because the member did not return to FRS-covered employment within five (5) years, but the member later returns to FRS-covered employment after the forfeiture has occurred, the member will be returned to the plan in which he or she was participating at the time of the forfeiture. If the member's benefit and service credit in the Pension Plan are forfeited because the member took a self-initiated distribution of the vested Investment Plan benefit, and the member later returns to FRS-covered employment, the member will be considered a new employee and will be entitled to a new retirement plan choice, if applicable.

(2) Forfeitures of ~~FRS~~ Investment Plan accounts Due to Criminal Activity-

(a) Any member who has been found guilty by a verdict of a jury or by the court trying the case without a jury, or who has entered a plea of guilty or a plea of nolo contendere to certain specified offenses committed prior to retirement; or any member whose employment is terminated because the member admitted committing, aiding, or abetting any such offenses; or any elected official who is convicted by the Senate of an impeachable offense, shall forfeit all rights and benefits under the FRS except for return of any accumulated employee contributions. Specified offenses are the committing, aiding, or abetting any embezzlement or theft from the member's employer; bribery in connection with employment; any other felony specified in Chapter 838, F.S., except for commercial bribery as provided in Section 838.15 or 838.16, F.S.; committing an impeachable offense; willfully committing any felony with intent to defraud the public or the public agency which employs the member or for which the member acts, of the right to receive the faithful performance of the member's duties while realizing or attempting to realize a profit, gain or advantage for the member or for someone else through the powers, rights, privileges and duties of the member's office or position; committing any felony described in Section 800.04, F.S., against a victim younger than 16 years of age, or any felony described in Chapter 794, F.S., against a victim younger than 18 years of age while using or attempting to use the power, rights, privileges, or duties of the member's office or employment position.

(b) When the State Board of Administration (SBA), becomes aware of any accusation of criminal wrong doing against any member of the ~~FRS~~ Investment Plan, the SBA will place ~~put~~ a hold on the member's account to preclude the member from removing any money from the account, until a determination is made on whether charges have been filed and whether the charges are for a forfeitable offense.

(c) If the charges against the member are not pursued and are dropped by law enforcement officials, the hold on the member's account will be released upon receipt of notification from the proper law enforcement agency.

(d) If the member is indicted and convicted or pleads guilty, or pleads nolo contendere, the SBA will acquire a certified copy of the judgment and will contact the member to advise the member that the Investment Plan benefit is forfeited and that the member has the right to a hearing to contest the forfeiture. The hold on the member's account will remain in place until:

1. The time to request a hearing has passed and no request for a hearing is made, or
2. The conclusion of the hearing and any appeal of the final order issued after the conclusion of the hearing.

(e) At the conclusion of either subparagraph (d)1. above, or subparagraph (d)2. above, if the member's hearing and/or appeal are unsuccessful, the SBA will direct the Investment Plan Administrator to transfer the member's account balance to the Investment

(f) If a member has requested a self-initiated distribution of all or part of any benefit, the member shall be required to repay the benefit, if it is determined that the member forfeited all rights and benefits under the FRS. Any such member may contest the forfeiture as stated in paragraph (d) above. If the member fails to repay the benefit, the SBA may pursue all legal options.

(g) If a member receives a pardon for any crime applicable to any FRS employment, the member shall have all benefits previously forfeited returned to his or her ~~FRS~~ Investment Plan account reflecting any earnings or losses while invested in the FIAM Pyramis Intermediate Duration Pool Fund.

(3) Forfeiture of Beneficiary's Rights Due to Criminal Activity.

(a) A beneficiary, whether designated or pursuant to Florida law, of a deceased member who, by a verdict of a jury or by a court trying the case without a jury, is found guilty, or who has entered a plea of nolo contendere, of unlawfully and intentionally killing or procuring the death of such member, shall forfeit all rights to the deceased member's retirement benefits. Any benefits will be paid as such beneficiary had predeceased the deceased member.

(b) No benefits will be paid until there is a final resolution of such charges against the beneficiary, including any appeals.

(4) Authorized uses of the Investment Plan Trust Fund Forfeiture Account.

(a) The Investment Plan Forfeiture Account is funded with unvested account balances forfeited by members or as described above in this rule and with account balances forfeited due to criminal activity as described herein above in this rule.

(b) Section 121.4501(13), F.S., requires that the Investment Plan be administered so as to comply with the requirements of the Internal Revenue Code in order to maintain a tax-qualified status.

(c) Pursuant to a private letter ruling from the Internal Revenue Service, the Forfeiture Account may be used for two purposes:

1. Payment of Investment Plan Administrative expenses, such as fees related to the activities of the ~~FRS~~ Investment Plan Administrator and the custodian, investment and administrative consulting fees, and services rendered for the benefit of members of ~~both the FRS Investment Plan and the FRS Pension Plan~~ where costs can reasonably be allocated to the each plan; and

2. Reduction of future employer contributions to the Investment Plan.

(d) Consistent with Internal Revenue Service Rulings 80-155 and 74-340, unallocated reserves within the Forfeiture Account will be used as quickly and as prudently as possible considering fiduciary duty. The expected withdrawals from the Account should endeavor to reduce the Account to zero each fiscal year end.

Six calendar months means six full calendar months following the month the member retired. For example, if a member retires in January, the six calendar months are February, March, April, May, June and July. The retiree may return to employment in August. The retiree may return to employment in one of the excepted positions identified in Section 121.091(9)(b), F.S., and continue to take distributions from prior career benefits. <http://www.flrules.org/Gateway/reference.asp?No=Ref-01067>, which is hereby adopted and incorporated by reference. The form can be found on the MyFRS.com website. This form should be retained in the employee's personnel file.

#### **19-11.011 Employer and Employee Contributions and ABO or Present Value Transfer Procedures.**

(1) Employer and Employee contributions-

(a) All state, school district, and local employers (employers) who participate in the Florida Retirement System (FRS) and each employee are responsible for making the contributions required by Chapter 121, F.S.

(b) Employers shall submit, to the Division of Retirement (Division), a monthly payroll report and accompanying employer and employee contributions by the fifth (5th) business day following the month in which the salary was paid. For example, if the salary is paid in March, the monthly payroll report and contributions are due to the Division by the 5th business day of April.

(2) One Percent Penalty for Late Payroll Reporting-

(a) A one percent penalty will be applied to contributions that are late pursuant to Section 121.78(3), F.S. The portion of the one percent penalty assessed on late contributions and accompanying payroll data attributable to contributions for the ~~FRS~~ Investment Plan members shall be proportionally divided and deposited into affected member accounts, using the members' ~~FRS~~ Investment Plan investment allocation in effect at the time of the deposit.

(b) Any employer requesting a waiver of the delinquency fee in accordance with Section 121.78(3)(c), F.S., shall make a written request, setting forth a full description of the facts and circumstances, to the Office of Defined Contribution Programs, State Board of Administration of Florida, 1801 Hermitage Blvd., Suite 100, Tallahassee, Florida 32308. Waiver of the fee is at the discretion of the SBA. A waiver may be granted only once for an employer in any one fiscal year. Once a delinquency fee has been paid to a member's account, it cannot be waived.

(3) Market loss calculation for late payroll reporting-

(a) Market loss calculations will be applied to contributions and benefit transfers that are late pursuant to Section 121.78(3), F.S. A market loss occurs when an employer fails to timely remit the monthly payroll file and accompanying employer and employee contributions to the Division by the 5th business day of the next month the payroll file and associated employer and employee contributions are due as described in subsection (1) above and the receipt of monthly payroll file and/or the employer and employee contributions are received in the month following the due date or after.

(b) The Division will notify the Investment Plan Administrator (Administrator) of the late filing by the employer. Upon notification, the Administrator will determine market losses using the affected member's investment allocation on record with the Administrator at the time of calculation.

(c) The Administrator will perform the market value calculation using a period certain which is the 15th of the month in which the payroll is due, or the next succeeding business day if the day falls on a weekend or legal holiday, in which contributions would have been processed, and ending on the date the payroll is received by the Administrator.

(d) If contributions and accompanying payroll data are not received within the calendar month they are due, but that lateness does not result in market losses to members, only the one percent late assessment will apply to the employer.

(e) The Administrator will not perform the market loss calculation until a covered payroll and accompanying payroll data is received and processed by the Administrator.

(4) Prior Period Adjustments-

(a) Employer and employee contributions paid for a prior period shall be subject to a delinquent fee of one percent for each calendar month or part thereof that said contributions should have been paid. This includes prior period contributions due to incorrect wages and contributions for an earlier report or wages and contributions that should have been reported, but were not. If the delinquent assessment is not remitted within 30 days following the Division's invoice date, an additional delinquent assessment of one percent on the invoiced amount shall be assessed for each calendar month or part thereof that said invoice is delinquent. This delinquent assessment cannot be waived.

(b) When an employer requests an adjustment to retirement contributions or accompanying payroll data for prior periods for ~~FRS~~ Investment Plan members, the adjustment will be processed to the extent administratively possible. Under no circumstance shall the SBA, the FRS Investment Plan Trust Fund, or the Florida Retirement System Trust Fund incur any loss or gain as a result of an employer's adjustments for an ~~FRS~~ Investment Plan member or a former member.

(5) Employer errors or corrections-

(a) Market loss calculations will be applied to contributions and benefit transfers that are late due to an employer error or correction. An employer error or correction is deemed to have occurred if the employer changes previously reported information that now requires contributions and benefit transfers to be posted retroactively.

~~(6)~~ If an agency fails to pay the total amount due within 120 calendar days from the date of the Division's invoice, the procedures outlined in the Division's subsection 60S-3.011(5), F.A.C., shall be applicable.

~~(7)~~ Federally Mandated Monitoring of Contributions and Annual Salary-

(a) The ~~FRS~~ Investment Plan Administrator will be responsible for monitoring federally mandated contribution limits pursuant to Internal Revenue Code s. 415(c) ("Section 415(c) limitation"). The monitoring of federally mandated contribution limits will only be conducted if the employer has properly reported the applicable annual salary and contributions on the payroll reports submitted each month. The Investment Plan Administrator, the Division or SBA will not be held responsible for a failure to monitor the limits due to the employers inability or failure to report the necessary data.

(b) The Division will be responsible for monitoring federally mandated annual salary that may be applied towards retirement under a qualified retirement plan pursuant to Internal Revenue Code s. 401(a)(17).

~~(c)~~ In no event shall the aggregate of the allocation of employer and employee contributions to an ~~FRS~~ Investment Plan member's account(s) in the ~~FRS~~ Investment Plan and the annual addition to an ~~FRS~~ Investment Plan member's account(s) in any other defined contribution plan maintained by the employer exceed the Section 415(c) limitations for defined contribution plans.

(d) In no event shall an Investment Plan member have contributions deposited to an Investment Plan account on salary above the Section 401(a)(17) limitations. In the event an Investment Plan member has contributions deposited to an Investment Plan account on salary above the Section 401(a)(17) limit, the excess contributions, and applicable investment earnings on excess contributions, shall be deducted from the member's Investment Plan account and returned to the entity that submitted the excess contributions.

~~(e)~~ Employers shall cooperate with the ~~FRS~~ Investment Plan Administrator or its agent in order for the Administrator or its agent to be able to monitor the 415(c) limitation on employer and employee contributions.

~~(f)~~ Employers shall be responsible for providing all financial and payroll data which the ~~FRS~~ Investment Plan Administrator or its agent must use to determine whether or not the 415(c) limitation has been exceeded.

~~(g)~~ Pursuant to Section 121.4501(5)(d), F.S., the Administrator will notify the employer regarding maximum contribution levels permitted under the Internal Revenue Code and if a member exceeds those limits.

~~(h)~~ The Employer is responsible for notifying a member if the total contributions made to the ~~FRS~~ Investment Plan and to any other such plan exceed federally permitted maximums and to take appropriate steps to correct such excess contributions as set forth in paragraphs ~~(i)~~ ~~(g)~~ and ~~(j)~~ ~~(h)~~ below.

(ig) In the event the aggregate annual additions to a member's account(s) in the ~~FRS~~ Investment Plan and in any other defined contribution plan maintained by the employer exceed the 415(c) limitation during any limitation year, the excess shall be attributed first to such other plans.

(jh) If any excess remains after attribution to such other plans, the amount of any such excess attributable to the allocation of forfeitures, to a reasonable error in estimating a member's annual compensation or to any other circumstances that the Commissioner of Internal Revenue finds is justified, in accordance with Treasury Regulation 1.415-6(b)(6), shall be used to reduce the employer's contributions for such member under the ~~FRS~~ Investment Plan in the next and succeeding limitation years; provided, however, that if the member is not covered by the ~~FRS~~ Investment Plan at the end of the limitation year, such excess amount will be used to reduce the employer's contributions to remaining members under the ~~FRS~~ Investment Plan in the next, and succeeding, limitation years.

(ki) If the correction method, above, is not available, other methods of correcting excess annual additions are permitted if in accordance with Treasury Regulation 1.415-6(b)(6).

(87) Employer errors or corrections. Market loss calculations will be applied to contributions and benefit transfers that are late due to an employer error or correction. An employer error or correction is deemed to have occurred if the employer changes previously reported information that causes contribution and benefit transfer to be posted retroactively.

(98) Contribution Rates-

(a) The employer and employee contributions received by a member of the ~~FRS~~ Investment Plan prior to effective enrollment in the ~~FRS~~ Investment Plan will be at the rate established pursuant to Section 121.71, F.S. The amount will be transferred into the employee's ~~FRS~~ Investment Plan account as the opening account balance.

(b) After effective enrollment in the ~~FRS~~ Investment Plan, the member shall receive the employer and employee contribution at the rate established by Sections 121.71 and 121.72, F.S. appropriate to that member's class of membership.

(109) Asset Transfer and True-Up Procedures for Newly-hired Employees with Previous FRS Service-

(a) For members who elect to enroll in the ~~FRS~~ Investment Plan who have prior FRS credible service, the Division shall calculate the amount of the member's ABO or present value of the ~~FRS~~ Pension Plan benefit. This amount shall be transferred to the member's ~~FRS~~ Investment Plan account and shall be allocated to each investment product selected by the member.

(b) The Division shall determine the member's ABO or present value as of the last day of the month prior to the employee's effective date of enrollment in the ~~FRS~~ Investment Plan. For example, if the Division receives the enrollment during the month of June, the effective date of enrollment for the employee in the ~~FRS~~ Investment Plan is July 1 and the Division shall calculate the member's ABO or present value, if any, through June 30.

(c) By the 25th day of the effective month of enrollment, the Division shall notify the ~~FRS~~ Investment Plan Administrator of the ABO or present value for each Investment Plan member whose effective date of enrollment is the first day of the month. The Administrator shall notify the SBA of the aggregate ABO or present value of members whose effective date of enrollment is the first day of the month.

(d) On the last business day of the effective month of enrollment in the ~~FRS~~ Investment Plan, the SBA shall effectuate the transfer of the aggregate ABO or present value amount to the ~~FRS~~ Investment Plan Administrator for allocation to the applicable ~~FRS~~ Investment Plan member accounts based on the investment option designated by the member, and if no allocations were provided by the member, then to an age-appropriate retirement date fund.

(e) The total amount initially credited to each ~~FRS~~ Investment Plan member's account who elected to transfer the ABO or present value from the ~~FRS~~ Pension Plan was an estimate of the member's ABO or present value. Pursuant to Section 121.4501(3)(b)2., F.S., the Division shall re-compute the ABO or present value not later than 60 days after the initial transfer of funds. If the re-computed amount differs from the estimated ABO amount by plus or minus \$10 or more, the Division shall provide the aggregate adjustment amount to be transferred to or from the ~~FRS Investment Plan Administrator for the~~ affected member(s).

(f) The Division shall notify the Administrator of the true-up amounts plus interest by member account within 50 days of the initial transfer. The true-up transfer shall include the true-up amount determined by the Division plus interest at the rates specified in Section 121.4501(3)(b)2., F.S., from the date of the initial transfer to the date of the true-up transfer. The transfer of the true-up amount plus interest shall occur on the 60th day following the initial transfer. In the event the 60th day following the initial transfer falls on a Saturday, Sunday, or a legal holiday, the true-up transfer shall occur on the last business day of the month preceding the Saturday, Sunday, or legal holiday.

(g) The Division shall calculate the interest owed on true-up amounts. If the re-computed ABO is greater than the original amount transferred by plus or minus \$10 or more, the member will be owed a true-up amount plus interest. Interest will be calculated pursuant to Section 121.4501(3)(b)2., F.S. If the re-computed ABO is less than the original amount transferred by plus or minus \$10 or more, the member will owe a true-up amount plus interest and the amount will be deducted from the member's Investment Plan account. Interest will be calculated pursuant to Section 121.4501(3)(b)2., F.S.

(h) The Administrator shall notify the SBA of the aggregate true-up value for those members determined to have a true-up adjustment. On the last business day of the month in which the true-up amount is due, the SBA shall effectuate the transfer of the aggregate true-up amount to the FRS Investment Plan Administrator for allocation to the applicable member accounts based on the investment fund allocations designated by the member(s).

### **19-11.013 FRS Investment Plan Self-Directed Brokerage Account-**

(1) An ~~FRS~~ Investment Plan member meeting certain criteria may transfer assets from the member's Investment Plan primary investment account to a self-directed brokerage account ("SDBA") in order to be able to access additional investment opportunities beyond the primary investment funds offered under the Investment Plan.

(a) In order to participate in the SDBA the member must:

1. Maintain a minimum balance of \$5,000 in the Investment Plan's primary investment funds. This minimum amount may be changed at any time.

2. Make initial and subsequent transfers into the SDBA of at least \$1,000. Transfer requests must be in whole dollars. Percentages are not permitted. This minimum amount is subject to change.

3. Pay all trading fees, commissions, administrative fees, and any other expenses associated with participating in the SDBA.

(b) The member must open an account with the SDBA service provider in one of two ways:

1. By accessing and completing the enrollment form online by logging on to MyFRS.com, then choosing Manage Investments>Open Brokerage Account. The enrollment form includes both a Member Service Agreement and Memorandum of Understanding which the member must acknowledge having received and read.

2. By printing and completing a hard copy of the enrollment form, Member Service Agreement and Memorandum of Understanding. A hard copy of the enrollment form can be printed from the Open Brokerage Account link on MyFRS.com or can be

~~obtained from the Investment Plan Administrator.~~ The member must return the completed enrollment form to the service provider via fax or mail. The member must acknowledge the Member Service Agreement and Memorandum of Understanding were received and read. ~~A hard copy of the enrollment form can be printed from the Open Brokerage Account link on MyFRS.com or can be obtained from the Investment Plan Administrator.~~

3. The SDBA account will be established within two (2) days of receipt of either the online or hardcopy enrollment form. Once the account is established, the member will receive a package from the SDBA service provider containing information on how to access and use the SDBA.

4. The SDBA account will be automatically closed if there is a zero balance for 18 consecutive months. To participate in the SDBA in the future, the member will have to open a new SDBA account as set forth in 1(b) above.

(c) The member is subject to the following fees, transaction charges, expenses:

1. An annual administrative fee of \$25.00 (\$6.25 quarterly) for participating in the SDBA. This fee will be deducted from the member's primary investment account for each quarter the member maintains a balance in the SDBA. This fee is in addition to all applicable commissions, sales charges and transaction fees. This fee is deducted pro rata across the member's Investment Plan primary funds.

2. Any and all commissions, sales charges and transaction fees applicable to transactions executed by the member through the SDBA. The member may review all SDBA commissions and fees by accessing the ~~FRS~~ Investment Plan Self-Directed Brokerage Account Commission and Fee Schedule in the "Investment Funds" section on MyFRS.com.

3. Depending on the investments chosen, transaction fees, commissions or sales charges may be charged to the member's SDBA. These fees are automatically deducted from transaction proceeds or added to the purchases as they are incurred. In addition, investment management fees, 12b-1 fees, or other fees and expenses specific to individual funds may be charged to the member's SDBA. It is the member's sole responsibility to be aware of and understand the commissions and fees as described in the Commission and Fee Schedule and in the prospectus of any mutual fund.

(2)(a) The investment options offered through the SDBA have not been reviewed by the Florida Retirement System (FRS) for suitability for the member. The member is solely responsible for determining the appropriateness of any investments in the SDBA.

(b) The member agrees to fully indemnify and hold harmless the member's employer, the FRS, the State Board of Administration (SBA), and any and all service providers to the FRS against any claims, damages, or other possible causes of actions resulting from the member's decision to participate in the SDBA or from the specific SDBA investment options selected by the member.

(2)(c) – (4)(a) No changes.

(4)(b) The SDBA provider will provide to the member:

1. A separate quarterly statement that will itemize the brokerage transactions and show individual holdings balances as well as the total SDBA balance.

2. If the member has any activity in the SDBA, a separate monthly statement will be provided.

3. If the member has no activity in the quarter, a separate quarterly statement will be provided.

4. If the member provides the SDBA provider with an email address, the member will receive electronic statements, SDBA trade confirmations and other SDBA communications, unless the member affirmatively elects a paper format.

~~5. The member will also receive SDBA trade confirmations and other SDBA communications electronically.~~

~~5~~6. The member may opt out of electronic delivery at any time by logging onto MyFRS.com and accessing the SDBA account or by calling 1(866)446-9377, Option 4, and speaking to an SDBA specialist.

(5)(a) Distributions cannot be made directly from the SDBA. A member must first transfer money in the SDBA back to the member's Investment Plan primary investment account.

(b) If the member is subject to a Required Minimum Distribution (RMD), and has insufficient funds in the member's primary account, the member will be subject to an automatic liquidation of assets by the Investment Plan Administrator from the SDBA of an amount sufficient to cover the RMD requirements and maintain the required account balance in the primary investment funds.

(c)1. If the member is subject to qualified domestic relations orders (QDROs) by a court of competent jurisdiction, income deduction orders as provided in Section 61.1301, F.S., or a federal income tax levy, the member's SDBA balance may be subject to a partial or full liquidation to comply with the court or federally mandated levy and to ensure that at least a \$5,000 account balance in the Investment Plan primary funds is maintained.

2. In the event the member's SDBA account is subject to a lien or levy, the directions of the appropriate levying authority will be followed unless some form of release from the levying authority, or a court order staying or quashing the lien or levy is provided.

(d) A member participating in the SDBA cannot take a distribution from the member's primary account that would make the member's primary account balance fall below \$5,000. In such instance for a distribution to occur, the member first would need to liquidate sufficient SDBA funds and return the funds to the member's primary account. If such a member's primary account balance were to fall below \$5,000 due to market losses, no additional transfers into the SDBA will be allowed, and no additional distributions would be processed until the primary account balance is greater than \$5,000.

(e) A member participating in the SDBA who has requested distributions to be made on an installment basis may request to have installments established based on the total of the funds in both the member's primary account and in the member's SDBA. If a point is reached at which an additional distribution would cause the member's primary account balance to fall below \$5,000, the installments will be stopped and the member will be notified that no additional installments can be processed until the member liquidates sufficient SDBA funds to cover future distributions and maintain a \$5,000 minimum balance in the member's primary account.

(f) If the member terminates FRS-covered employment prior to meeting the vesting requirements of the Investment Plan and has enrolled in the SDBA, the member will be required to liquidate all investments in the SDBA prior to requesting a distribution of any vested account balance. If the member requests a distribution of any portion of the vested account balance, the member will forfeit any unvested account balance and will be considered retired from the FRS. The member can reinvest in the SDBA with vested money so long as a \$5,000 minimum balance is maintained in the primary account and a minimum of \$1,000 is available to transfer to the SDBA.

(g) If the member terminates employment with an FRS-participating employer and has unvested money in the Investment Plan and has enrolled in the SDBA, the member's SDBA account is subject to liquidation by the Investment Plan Administrator within four (4) calendar months of termination and any unvested money will be moved to the Investment Plan's suspense account. The member can reinvest in the SDBA with vested money so long as a \$5,000 minimum balance is maintained in the primary account and a minimum of \$1,000 is available to transfer to the SDBA account. If the member returns to FRS-covered employment and has not taken a distribution from the Investment Plan primary account the money held in suspense will be returned to the member's primary account.

(6)(a)1. Any ~~FRS~~ Investment Plan member who has a complaint regarding the SDBA should call the Investment Plan Administrator at 1(866)446-9377, Option 4, and ask to speak to an SDBA specialist. If the SDBA specialist cannot resolve the complaint over the telephone, the member will be provided with instructions on how to submit a written complaint. If a written complaint is received by the SDBA provider, the SDBA provider will handle the written complaint regarding the SDBA in accordance with the Financial Industry Regulatory Authority ("FINRA") Rule 4530.

2. The Compliance Officer of the SDBA provider will conduct an investigation and will prepare and send the member a letter within 10 business days of receipt of the written complaint detailing the findings, any proposed resolution, and information on any next steps in resolving the complaint. Copies of the complaint and responses thereto will be provided to the SBA.

3. If a complaint is received by the SBA regarding an SDBA issue, the complaint will be forwarded to the Compliance Officer of the SDBA provider for a response.

4. The complaint process provided in Rule 19-11.005, F.A.C., is not applicable to any complaint regarding the SDBA.

(b) If the SDBA provider and the member cannot come to a resolution regarding the complaint the member can request arbitration as detailed in the SDBA Plan Member Agreement.

(c)1. If SDBA provider receives a written complaint that is unrelated to the SDBA, it will be sent to the Investment Plan Administrator and to the SBA. The SDBA provider will acknowledge receipt of the complaint to the member advising the member that the complaint has been forwarded to the appropriate party.

2. Upon receipt of the complaint unrelated to the SDBA referenced in subparagraph (c)1. above, the SBA will handle the complaint in accordance with Rule 19-11.005, F.A.C.

As of the most recent actuarial valuation date, the FRS actuarial liability exceeded the actuarial value of its assets yielding an unfunded actuarial liability. This liability may increase or decrease in the future. The Legislature may increase or decrease the amount that you and your employer contribute to this plan to keep it actuarially funded. You have elected to switch to the Pension Plan and understand there may be a buy-in cost to make this plan change. You can find out the buy-in cost by calling the MyFRS Financial Guidance Line, Option 3, to connect to the Division of Retirement. You understand you may be required to pay an additional amount if the buy-in cost is greater than your current Investment Plan account balance. You authorize the Investment Plan Administrator to use any funds in your Investment Plan account to activate your 2<sup>nd</sup> Election to switch to the Pension Plan. These funds may include prior-career benefits and rollover money in your account. You understand you have the ability to move your Investment Plan account balance into conservative investment options within the Investment Plan in order to potentially reduce the volatility of your account balance prior to liquidation and movement to the Pension Plan.

**If you selected Option 2 (Page 1):** You understand and acknowledge the following: You have elected to switch to the Investment Plan and that any accrued value you may have in the Pension Plan will be transferred to the Investment Plan as your opening account and any Pension Plan accrued value transferred to your account will be subject to the vesting requirement of the Pension. You can find out the accrued value of your Pension Plan account by calling the MyFRS Financial Guidance Line, Option 3, to connect to the Division of Retirement. The initial transfer amount is an estimate and your account will be reconciled within 60 days of that transfer pursuant to Florida law using your actual FRS membership record. The reconciled amount could be more or less than the estimate you receive and your account will be adjusted accordingly. You direct all future contributions be deposited in my Investment Plan account.

**If you selected Option 3 (Page 1):** You understand and acknowledge that you have elected to switch retirement plans to the Hybrid Option and that the accrued value of your current Pension Plan benefit will remain in your Pension Plan account. You understand that an Investment Plan account will be established to receive all future contributions.

**If you selected Option 2 or 3 (Page 1):** You understand and acknowledge that your Plan assets will be invested in an age appropriate Retirement Date Fund based on your current age as provided under Plan provisions, that other investment funds are available to you, and that you can change your fund allocations at any time after your account is activated by logging onto MyFRS.com or by calling the toll-free MyFRS Financial Guidance Line, Option 4. You understand that your account will be available at the end of your effective date month, and you should review the Fund Profiles, the Investment Fund Summary and the Annual Fee Disclosure at MyFRS.com before selecting any investment funds or submitting this form. You understand that the Investment Plan is not designed to facilitate short-term excessive fund trading. Foreign and global investment funds are subject to a minimum holding period of 7 calendar days following any non-exempt transfers into such funds and you may be subject to trading controls on other funds in the event that you trade excessively. You understand that investment management fees will be deducted from your Investment Plan account, that these fees may change in the future and that funds may be added or terminated. You understand that if any of the funds you select in the Investment Plan are terminated in the future, you will be able to move your assets into other investment funds prior to termination. If you do not move your assets in the terminated fund(s), they will automatically be moved into a replacement fund designated at that time. You understand that if you terminate FRS-covered employment and you are vested in your account balance, you may be subject to a mandatory payout of your account if the balance is \$1,000 or less or an account maintenance fee of \$6 per quarter if your account balance is more than \$1,000. You understand that Sections 121.4501(8)(b)2 and 121.4501(15)(b) of Florida law incorporate the federal law concept of participant control, established by regulations of the U.S. Department of Labor under Section 404(c) of the Employee Retirement Income Security Act of 1974. If you exercise control over the assets in your Investment Plan account, pursuant to Section 404(c) regulations and all applicable laws governing the operation of the Investment Plan, no program fiduciary shall be liable for any loss to your account which results from your exercise of control.

You understand that the Investment Plan is a defined contribution plan in which the Florida Legislature can increase or decrease the amount that you and your employer contribute to your account.

You can find a description of your rights and responsibilities under the Pension Plan, the Investment Plan and the Hybrid Option in the respective Summary Plan Descriptions, Florida Statutes, and Administrative Rules by calling the MyFRS Financial Guidance Line, Option 2, or visiting MyFRS.com.

### Important Rollover Information:

The following types of retirement plans and/or distributions are **not eligible** to be moved into the FRS Investment Plan:

1. **Roth IRA:** You can only transfer/rollover assets from a Roth IRA into other Roth IRAs.
2. **Payments Spread Over Long Periods of Time:** You cannot move a payment if it is part of a series of equal (or almost equal) payments made at least once a year and lasting for: your lifetime (or your life expectancy), your lifetime and your beneficiary's lifetime (or life expectancies), or a period of 10 years or more.
3. **Required Minimum Payments:** Beginning in the year you reach 70½, a certain portion of your payment cannot be moved because it is a required minimum payment that must be paid to you. However, once you have received the required minimum payment for a particular year, you may move the remainder of your retirement plan account into the FRS Investment Plan. (You will be required to continue receiving the required minimum payments from your FRS Investment Plan.)
4. **Emergency or Hardship Withdrawals:** Emergency (from a 457 plan) or hardship (from a 401 or 403(b) plan) withdrawals cannot be moved to the FRS Investment Plan.

**You must complete the rollover deposit within 60 days of receiving the assets** to avoid paying income taxes and a potential early withdrawal penalty. The Eligible Rollover Deposit is a one-time plan transaction separate from your current FRS Investment Plan. Once you roll over eligible retirement monies into the FRS Investment Plan, you cannot receive any distributions of these funds (or your Investment Plan account balance) until you terminate employment for 3 calendar months. You may be eligible to withdraw a one-time distribution of up to 10% of your Investment Plan account balance one calendar month following the month of your termination if you meet the normal retirement requirements for the FRS Pension Plan.

### Required Documentation

In addition to this form, you must provide documentation that shows the rollover contribution is eligible to be rolled into the Plan. If documentation is not provided, it will be necessary for you to submit additional information. To show that the rollover is from an eligible plan and can be rolled into the plan, send a copy of the distribution statement/payment confirmation, IRS Form 1099-R, or letter that you received from your prior employer plan or IRA showing your distribution. This documentation should include:

- Plan Name
- Gross distribution (total amount of payment before deductions)
- Taxable amount (portion of the payment that will be taxable to you when you withdraw it from the plan)
- Federal withholding (taxes withheld from the payment)
- Date of distribution (required if you are doing an indirect rollover)
- Contributions you deferred as after-tax and/or Roth, if applicable

Provide only copies -- do not submit any original documentation (except for this form). Documentation submitted for rollover processing can't be returned to you.

You certify the following statements are true and correct:

1. Your Eligible Rollover Deposit is eligible to be rolled in to the FRS Investment Plan and you are rolling over your Eligible Employee Rollover Deposit no later than the 60th day after receiving it.
2. If your Eligible Employee Rollover Deposit is coming from an IRA, that IRA is a traditional IRA, Simple IRA or SEP IRA (not a Roth IRA).
3. This Eligible Employee Rollover Deposit is not a part of a series of payments over your life expectancy or over a period of 10 years or more.
4. This Eligible Employee Rollover Deposit does not include any required minimum distributions with respect to your previous employer's plan or IRA.
5. This Eligible Employee Rollover Deposit does not include a hardship distribution, corrective distribution, nor any amounts that are deemed to have been distributed from a qualified retirement plan due to a default on a loan.
6. You are eligible to direct the Eligible Employee Rollover Deposit to the FRS Investment Plan and that you are one of the following: the plan participant, the surviving spouse of a deceased plan participant; or the spouse or former spouse of a plan participant under a Qualified Domestic Relations Order.
7. You understand that if your rollover includes after-tax money, it must be accounted for separately.
8. You understand that if your rollover check has both pretax and after-tax money, your selected investment allocations will be used to process your rollover contributions.
9. You understand you must designate a beneficiary for my Investment Plan account. Until you file a Beneficiary Designation Form with the Investment Plan Administrator, your beneficiary will be per Florida law. You understand you can modify or change your Investment Plan beneficiary by completing a Beneficiary Designation Form available on the web at MyFRS.com.
10. You understand that once you roll over eligible retirement monies into the FRS Investment Plan, you cannot receive any distributions of these funds (or your Investment Plan account balance) until you terminate employment for 3 calendar months.
