

The Florida Growth Fund manages \$500 million of capital dedicated to prudent investments in technology and growth related businesses with significant presence in the state of Florida. As part of the Florida Retirement System Pension Plan Trust Fund, the Florida Growth Fund will seek to enhance Florida's capacity for development, growth and innovation.

The Florida Growth Fund is managed by Hamilton Lane, a leading global private equity asset management firm.

On behalf of the Florida State Board of Administration, Hamilton Lane actively pursues investment opportunities for the Florida Growth Fund. Our experienced investment professionals guide these opportunities through our rigorous due diligence process through one of two structures: private equity fund investments or directly into companies through co-investments with other institutional investors.

Fund Partnership Opportunities

The Florida Growth Fund will seek to make meaningful commitments to top tier private equity partnerships identified through Hamilton Lane's due diligence process.

Specifically we look for:

- Venture Capital, Growth Equity and Small to Mid-Sized Buyouts
- Technology, Aerospace, Renewable Energy, Medical and Life Sciences
- Businesses domiciled in Florida
- Businesses that have demonstrable, material Florida operational presence
- Differentiated return streams and attractive performance track record

Co-Investment Opportunities

The co-investment portion of the Florida Growth Fund will make investments alongside private equity partnerships based or operating in the State of Florida. Hamilton Lane's dedicated co-investment team rigorously reviews each opportunity.

Specifically we look for:

- A company headquartered in, or conducting a significant portion of its business in Florida
- Profitable companies
- Experienced management teams
- Attractive growth trends
